This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2),

and the Debtors confirm their consent, pursuant to rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The statutory bases for the relief requested herein are sections 105, 361, 362, 363, 364, 503, 506, 507, and 552 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), rules 2002, 4001, 6004, and 9014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rules 2002-1(b), 4001-2, 9006-1, and 9013-1(m).

Background

5. The Debtors, together with their non-Debtor affiliates (collectively, “Marelli” or the “Company”) are one of the largest international automotive parts suppliers in the world and a pioneer in motorsports and in automobile manufacturing and design. With its headquarters in Saitama, Japan and over 46,000 employees located in twenty-four countries around the world, Marelli designs and produces sophisticated technologies for leading automotive manufacturers, including lighting and sensor integrations, electronic systems, software solutions, and interior design products, and collaborates with motor sports teams and other industry leaders to research and develop cutting-edge, high-performance automotive components.

6. On June 11, 2025 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. Concurrent with the filing of this motion, the Debtors filed a motion requesting

procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

Preliminary Statement

7. The Debtors commenced these chapter 11 cases with a restructuring support agreement (the “Restructuring Support Agreement”) that enjoys the support of approximately 80% of the lenders under the Senior Loan Facility (as defined herein). The Restructuring Support Agreement contemplates pursuing a debt-for-equity swap that will result in certain of the Debtors’ prepetition lenders owning 100% of the Debtors’ reorganized equity as well as a forty-five day “go shop” period to ensure that the proposed restructuring transactions represent the best available terms. This process will ensure the proposed restructuring transactions represent the highest or otherwise best offer for the Debtors’ business and provides the most value maximizing path forward for the Company and all of its stakeholders.

8. Beginning in October 2024, the Debtors, with the assistance of their advisors, began engaging with an ad hoc group of lenders under the Senior Loan Facility (the “Ad Hoc Group of Senior Lenders”) and other holders of the Senior Term Loans (as defined herein) (such other holders, the “Japanese Lenders”) on what would ultimately be months-long negotiations on a variety of different out-of-court transaction structures and alternatives. However, disagreement amongst the Debtors’ lenders on the structure of a deal and failure to satisfy the relevant consent requirements and thresholds (*i.e.*, 67% percent of the Senior Loan Facility Lenders) required by the Debtors’ prepetition credit agreements foreclosed an out-of-court transaction.

9. During this time, macroeconomic headwinds associated with the imposition of tariffs further constrained the Debtors’ liquidity and accelerated their need for a strategic transaction and injection of new capital. In March 2025, it became clear that the Debtors would

need to deleverage their balance sheet and obtain access to incremental liquidity through an in-court process. As a result, the Debtors and their advisors began to prepare to pivot to pursuit of an in-court transaction in the event that a fully consensual, out-of-court solution could not and would not be realized.

10. In March 2025, the Company launched a targeted “market test” process to ascertain third-party interest in providing debtor-in-possession financing. Ultimately, the Debtors received non-binding DIP financing proposals from five parties—all established lenders in the restructuring space with a reputation for and ability to provide postpetition financing in complex distressed situations on the requisite timeline and in the quantum required. The Debtors and their advisors exchanged multiple term sheets, held virtual and in-person meetings, and engaged in extensive discussions regarding the potential financing with the third parties and the Ad Hoc Group of Senior Lenders. One fact remained unchanged: absent the unlikely consent from over two-thirds of the Prepetition Secured Parties, such third-party DIP financing proposals would be subject to a day-one priming fight—a fight that would carry inherent risk to the viability of the overall restructuring process at the outset of the cases.

11. By virtue of the robust negotiations with these parties and thoroughly evaluating their DIP financing proposals the Debtors, the Ad Hoc Group of Senior Lenders, and the Japanese Lenders ultimately reached an agreement on the eve of filing on consensual DIP facilities provided by the Ad Hoc Group of Senior Lenders. After the marketing process, the Debtors, in consultation with their advisors, ultimately determined that pursuing and negotiating the proposal for a \$1.25 billion DIP facilities (the “DIP Facilities”) put forward by the Ad Hoc Group of Senior Lenders represented the best source of postpetition financing currently available given the facts and circumstances of these chapter 11 cases, taken as a whole. Due to its consensual nature and

with the support of the Ad Hoc Group of Senior Lenders, the proposed DIP Facilities pave the way for a successful comprehensive restructuring transaction through a plan of reorganization.

12. The Debtors file these chapter 11 cases with committed debtor-in-possession financing that will provide them with sufficient liquidity to operate during these chapter 11 cases and, upon emergence, support go-forward operations. Pursuant to this motion, the Debtors request that the Court approve the DIP Facilities consisting of (a) “new money” term loans in an aggregate principal amount of approximately \$1.1 billion, of which approximately \$519 million will be available upon entry of the Interim Order, approximately \$346 million will be available upon entry of the Final Order, and approximately \$242 million thereafter, in accordance with the Milestones and (b) a 47.5% (an amount equal to approximately \$1.1 billion) roll-up of the outstanding term loans under the Senior Loan Facility into DIP Obligations upon entry of the Final Order. Put simply, the Debtors are requesting access to approximately \$519 million of the “new money” term loans upon entry of the Interim Order and will seek approval of the remaining \$588 million and the roll-up at the Final Hearing. This motion also requests approval for the Debtors’ consensual use of the Cash Collateral on the terms and subject to the conditions set forth in the DIP Orders.

13. Overall, the DIP Facilities are the culmination of extensive prepetition negotiations between the Debtors and the DIP Lenders and represent the only actionable proposal that provides the Debtors with access to much-needed financing on a consensual basis. Access to the proposed DIP Facilities will: (a) ensure that the Debtors have sufficient funding to consummate the prearranged cases contemplated by the Restructuring Support Agreement, (b) provide the liquidity to operate in the ordinary course of business during these chapter 11 cases, (c) allow the Debtors to maintain favorable trade terms with their customers, and (d) send positive signals to the Debtors’

stakeholders that the Debtors' business is on the path to improved operational results, encouraging them to work cooperatively with the Debtors through the restructuring. *See* Grossi Decl. ¶ 20.

14. For these reasons, and for the reasons set forth below and in the Singh Declaration and the Grossi Declaration, the DIP Facilities will maximize the value of the Debtors' estates and are a sound exercise of the Debtors' business judgment. Accordingly, the Debtors respectfully request that the Court enter the DIP Orders.

II. The Debtors Have a Need for Debtor-In-Possession Financing and Use of Cash Collateral.

24. The Debtors require immediate access to the DIP Facilities in addition to continued use of the prepetition lenders’ Cash Collateral to preserve the value of the Debtors’ estates. As of the Petition Date, the operating cash balance of the Debtors (and their wholly owned subsidiaries) is approximately \$356 million, which is insufficient to operate their enterprise and continue paying their debts as they come due. *See* Grossi Decl. ¶ 15. If the Debtors cannot quickly access liquidity through the DIP Facilities and the use of Cash Collateral, the Debtors will not be able to consummate the transaction contemplated by the Restructuring Support Agreement while operating their business in the ordinary course during these chapter 11 cases. *See id.* In turn, this

will likely result in the Debtors' customers diverting business from the Debtors or otherwise altering their business relationship with the Debtors, which would adversely affect the Debtors' revenues and future operations and harm the value of the Debtors' business. *See id.* In addition, the Debtors rely on the Cash Collateral generated from their operations to, among other things, honor employee wages and benefits, procure goods and services integral to the Debtors' ongoing business operations, fund operational expenses, and maintain favorable relationships with their vendors, suppliers, employees, and customers. *See Grossi Decl.* ¶ 14. The ability to satisfy these expenses when due is essential to the Debtors' continued operation of their business during the pendency of these chapter 11 cases.

25. Prior to the Petition Date, the Debtors, in consultation with their proposed financial advisor, Alvarez & Marsal North America, LLC, reviewed and analyzed their cash needs and prepared near-term and longer-term liquidity forecasts, including the DIP Budget. *See Grossi Decl.* ¶ 13. The Debtors believe that the DIP Budget and the projections therein provide a good faith estimate of their funding requirements over the identified period and are reasonable and appropriate under the circumstances. Furthermore, the Debtors relied on these forecasts to determine the amount of postpetition financing required to administer these chapter 11 cases. *See id.* Based on these analyses, the Debtors determined that they would require access to the \$1.25 billion in incremental liquidity provided by the DIP Facilities during the pendency of the chapter 11 cases to effectuate the transactions contemplated by the Restructuring Support Agreement, while also providing sufficient liquidity to support the Debtors' business operations and go-forward enterprise. Absent funds available from the DIP Facilities and access to Cash Collateral, the Debtors would face a value-destructive interruption to their business operations and

would have insufficient liquidity to implement the restructuring transactions contemplated by the Restructuring Support Agreement. *See* Grossi Decl. ¶¶ 14-15.

III. Alternative Sources of Financing Are Not Readily Available on Better Terms.

26. Prior to executing the DIP Documents, the Debtors and the DIP Lenders engaged in good faith, arm's-length negotiations regarding the terms of the DIP Facilities and the Debtors' use of Cash Collateral. As discussed previously, in light of the Debtors' persistent liquidity constraints caused by a global downturn in automotive production and the need to delever their balance sheet, the Debtors and their advisors commenced discussions with the Ad Hoc Group of Senior Lenders beginning in August 2024 regarding the terms of a value-maximizing, comprehensive restructuring. *See* Singh Decl. ¶ 15. These discussions spanned the course of many months and involved numerous proposals and counterproposals on a variety of different transaction structures and alternatives to be implemented on an out-of-court basis. *Id.* Ultimately, the parties were unable to reach an agreement on an out-of-court transaction due to the disagreement amongst the lenders on the structure of a deal and failure to satisfy the relevant consent requirements and thresholds (*i.e.*, 67% percent of the Senior Loan Facility Lenders) required by the Senior Loan Facility Agreement to implement such a transaction.

27. While continuing their discussions with the Ad Hoc Group of Senior Lenders on the terms of a potential in-court transaction, the Debtors, with the assistance of PJT, began engaging with third parties outside of the Debtors' capital structure regarding possible alternative sources of debtor-in-possession financing. The Debtors discussed both priming and non-priming debtor-in-possession financing structures. However, all interested third-party financing sources were uniformly unwilling to provide a junior, unsecured, or any postpetition financing facility that did not have a first priority lien on substantially all assets.

28. The Debtors' efforts to develop an alternative transaction while simultaneously engaging with its existing lenders on the terms of a potential consensual transaction were successful. Ultimately, the Debtors received several non-binding DIP financing proposals from third parties with negotiations continuing up and until June 7, 2025. Such negotiations culminated in an agreement on the material terms of a consensual transaction amongst certain of the Debtors' Senior Loan Facility Lenders and execution of the Restructuring Support Agreement.

29. The proposed DIP Facilities, if approved, will provide the Debtors with \$1.25 billion of new liquidity to use during the pendency of these chapter 11 cases and ensure a smooth and timely exit from chapter 11. Accordingly, the DIP Facilities pending approval before the Court are reasonable and appropriate under the circumstances and represent the Debtors' best—and indeed the only—actionable option. *See* Singh Decl. ¶ 22. The DIP Facilities are the product of good-faith, robust arm's-length negotiations and is necessary for the Debtors to maximize value on behalf of their constituents in these chapter 11 cases and pursue a comprehensive reorganization. *See* Singh Decl. ¶¶ 23–29. The DIP Facilities, therefore, will provide a path to emergence that the Debtors believe is important to reassure customers, protect operations, and maximize value for all stakeholders. Accordingly, the DIP Facilities are in the best interests of the Debtors' estates and represent a sound exercise of the Debtors' reasonable business judgment.

Basis for Relief

IV. The Debtors Should Be Authorized to Obtain Postpetition Financing Through the DIP Documents.

A. Entry into the DIP Documents Is a Sound Exercise of the Debtors' Business Judgment.

30. The Court should authorize the Debtors, as a sound exercise of their business judgment, to execute and deliver the DIP Documents and to obtain access to the DIP Facilities. Section 364 of the Bankruptcy Code authorizes a debtor to obtain secured or superpriority

financing under certain circumstances discussed in detail below. Courts grant a debtor in possession considerable deference in acting in accordance with its business judgment in obtaining postpetition secured credit, so long as the agreement to obtain such credit does not run afoul of the provisions of, and policies underlying, the Bankruptcy Code. *See, e.g., In re Trans World Airlines, Inc.*, 163 B.R. 964, 974 (Bankr. D. Del. 1994) (approving a postpetition loan and receivables facility because such facility “reflect[ed] sound and prudent business judgment”); *In re L.A. Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) (“[C]ourts will almost always defer to the business judgment of a debtor in the selection of the lender.”); *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.”).

31. Specifically, to determine whether the business judgment standard is met, a court need only “examine whether a reasonable businessperson would make a similar decision under similar circumstances.” *In re Exide Techs.*, 340 B.R. 222, 239 (Bankr. D. Del. 2006); *see also In re Curlew Valley Assocs.*, 14 B.R. 506, 513–14 (Bankr. D. Utah 1981) (noting that courts should not second guess a debtor’s business decision when that decision involves “a business judgment made in good faith, upon a reasonable basis, and within the scope of [the debtor’s] authority under the [Bankruptcy] Code”).

32. Furthermore, in considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the potential lender. *In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. 2003)

(“Viewed in isolation, several of the terms of the [postpetition financing] might appear to be extreme or even unreasonable. Certainly, many of them favor the DIP Lender(s). But, taken in context, and considering the relative circumstances of the parties, the Court does not believe that the terms are unreasonable.”); *see also Unsecured Creditors’ Comm. Mobil Oil Corp. v. First Nat’l Bank & Trust Co. (In re Elingsen McLean Oil Co., Inc.)*, 65 B.R. 358, 365 n.7 (W.D. Mich. 1986) (recognizing that a debtor may have to enter into “hard bargains” to acquire funds for its reorganization). Courts may also appropriately take into consideration noneconomic benefits to a debtor offered by a proposed postpetition facility. For example, in *In re ION Media Networks, Inc.*, the bankruptcy court for the Southern District of New York held that:

Although all parties, including the Debtors and the Committee, are naturally motivated to obtain financing on the best possible terms, a business decision to obtain credit from a particular lender is almost never based purely on economic terms. *Relevant features of the financing must be evaluated, including non-economic elements such as the timing and certainty of closing, the impact on creditor constituencies and the likelihood of a successful reorganization.* This is particularly true in a bankruptcy setting where cooperation and establishing alliances with creditor groups can be a vital part of building support for a restructuring that ultimately may lead to a confirmable reorganization plan. That which helps foster consensus may be preferable to a notionally better transaction that carries the risk of promoting unwanted conflict.

2009 WL 2902568, at *4 (Bankr. S.D.N.Y. July 6, 2009) (emphasis added).

33. The Debtors’ decision to move forward with the DIP Facilities is a sound exercise of their business judgment following an arm’s-length process and careful evaluation of alternatives. Specifically, the Debtors and their advisors determined that postpetition financing will allow the Debtors to: (a) fund ongoing operations during these chapter 11 cases; (b) send a clear “business as usual” message to customers, vendors, suppliers, and critical business partners; (c) create adequate liquidity necessary for the administration of these chapter 11 cases; and (d) bridge toward a successful reorganization. The Debtors negotiated the DIP Term Sheets, DIP Credit Agreements, and other DIP Documents with the DIP Lenders in good faith, at arm’s length,

and with the assistance of their respective advisors, and the Debtors believe that they have obtained the best financing available under the circumstances. *See* Singh Decl. ¶ 32. Importantly, the DIP Facilities are a key component of the consensus reached with the Prepetition Secured Parties pursuant to the Restructuring Support Agreement and represent a crucial step in moving these chapter 11 cases forward toward implementation of the restructuring transactions. Accordingly, the Court should authorize the Debtors' entry into the DIP Documents, as it is a sound exercise of the Debtors' business judgment.

B. The Debtors Should Be Authorized to Grant Liens and Superpriority Claims.

34. The Debtors propose to obtain financing under the DIP Facilities by providing security interests and liens as set forth in the DIP Documents pursuant to section 364(c) of the Bankruptcy Code. More specifically, the Debtors propose to provide to the DIP Lenders, subject to the Carve Out, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on the Collateral (as defined in the Interim Order), which include substantially all of the Debtors' assets.

35. The statutory requirement for obtaining postpetition credit under section 364(c) of the Bankruptcy Code is a finding, made after notice and hearing, that a debtor is "unable to obtain unsecured credit allowable under section 503(b)(1) of [the Bankruptcy Code]." 11 U.S.C. § 364(c). *See In re Crouse Grp., Inc.*, 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987) (secured credit under section 364(c) of the Bankruptcy Code is authorized, after notice and hearing, upon showing that unsecured credit cannot be obtained). Courts have articulated a three-part test to determine whether a debtor is entitled to financing under section 364(c) of the Bankruptcy Code. Specifically, courts look to whether:

- A. the debtor is unable to obtain unsecured credit under section 364(b) of the Bankruptcy Code—*i.e.*, by allowing a lender only an administrative claim;

- B. the credit transaction is necessary to preserve the assets of the estate; and
- C. the terms of the transaction are fair, reasonable, and adequate, given the circumstances of the debtor-borrower and proposed lenders.

In re Crouse Grp., Inc., 71 B.R. 544, 549 (Bankr. E.D. Pa. 1987); *see also L.A. Dodgers LLC*, 457 B.R. at 312–13 (Bankr. D. Del. 2011); *Ames Dep't Stores*, 115 B.R. at 37–40 (Bankr. S.D.N.Y. 1990); *In re St. Mary Hosp.*, 86 B.R. 393, 401 (Bankr. E.D. Pa. 1988).

36. The Debtors satisfy each part of this test. **First**, as described herein and as set forth in the DIP Declarations, no prepetition or third-party lender was willing to provide postpetition financing on an unsecured or junior priority basis. *See Singh Decl.* ¶ 20. Additionally, a significant portion of the Prepetition Secured Parties indicated that they would not consent to a “priming” DIP financing provided by a third-party. *See id.* In light of this, the Debtors understood that obtaining priming third-party DIP financing might require engaging in a protracted and costly priming fight with the Ad Hoc Group of Senior Lenders at the outset of the case. *See id.* Regardless of the prospects of success, the expense and disruption associated with complex litigation on the first day would seriously jeopardize the Debtors’ reorganization efforts, as the Debtors’ already strained liquidity would be required to fund such a fight. *See Singh Decl.* ¶ 21-22.

37. **Second**, the additional liquidity provided by the DIP Facilities is critical for the Debtors to bridge to a successful value-maximizing transaction, and the Debtors do not have any other alternatives available to them that are (i) actionable, (ii) on better terms, or (iii) supported by the Debtors’ lenders. *See Singh Decl.* ¶ 32. Absent access to the DIP Facilities, which will provide sufficient liquidity to administer these chapter 11 cases, the value of the Debtors’ estates would be significantly impaired to the detriment of all stakeholders. *See Grossi Decl.* ¶ 15.

38. **Finally**, the DIP Facilities are a market-tested product of good-faith, arm’s-length negotiations among the Debtors and the DIP Lenders. *See Singh Decl.* ¶¶ 19-22. Given the

Debtors' circumstances, the Debtors believe that the terms of the DIP Facilities, as set forth in the DIP Term Sheets, are fair, reasonable, and adequate, all as more fully set forth below. Therefore, for all these reasons, the Debtors have met the standard for obtaining postpetition financing.

39. In the event that a debtor is unable to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, section 364(c) of the Bankruptcy Code provides that a court may:

authorize the obtaining of credit or the incurring of debt (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of [the Bankruptcy Code]; (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c). As described above, the Debtors are unable to obtain unsecured credit. Therefore, approving superpriority claims in favor of the DIP Lenders is reasonable and appropriate.

C. No Comparable Alternative to the DIP Facilities Are Reasonably Available.

40. A debtor need only demonstrate "by a good faith effort that credit was not available without" the protections afforded to potential lenders by sections 364(c) of the Bankruptcy Code. *In re Snowshoe Co., Inc.*, 789 F.2d 1085, 1088 (4th Cir. 1986); *see also In re Reading Tube Indus.*, 72 B.R. 329, 332 (Bankr. E.D. Pa 1987). Moreover, in circumstances where only a few lenders likely can or will extend the necessary credit to a debtor, "it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing." *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff'd sub nom. Anchor Sav. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also In re Snowshoe Co.*, 789 F.2d 1085, 1088 (4th Cir. 1986) (demonstrating that credit was unavailable absent the senior lien by establishment of unsuccessful contact with other financial institutions in the geographic area); *In re Stanley Hotel, Inc.*, 15 B.R. 660, 663 (D. Colo. 1981) (holding that the bankruptcy court's finding that two

national banks refused to grant unsecured loans was sufficient to support conclusion that the section 364 requirement was met); *Ames Dep't Stores*, 115 B.R. at 37–39 (finding that the debtor must show that it made reasonable efforts to seek other sources of financing under section 364(a) and (b) of the Bankruptcy Code).

41. The Debtors do not believe that alternative sources of financing are reasonably available given the circumstances and the Debtors' unsuccessful solicitation of alternative consensual financing proposals that avoid a costly priming fight. *See* Singh Decl. ¶¶ 19-22. The Debtors engaged in extensive discussions with potential third-party financing sources. By virtue of engaging with these parties and thoroughly evaluating their DIP financing proposals, it became clear that the third-party financing sources were uniformly unwilling to provide a junior or unsecured postpetition facility. Therefore, any third-party DIP financing would require priming liens. Through discussions with the Ad Hoc Group of Senior Lenders, it became clear that any such proposal would be non-consensual and would likely lead to extensive litigation at a significant cost to the Debtors and their stakeholders. Thus, the Debtors have determined that the DIP Facilities provide the most favorable terms while bypassing a stalemate, reducing execution risks, and providing the incremental liquidity necessary to bridge to a value-maximizing restructuring process through a plan of reorganization. Therefore, the requirement of section 364 of the Bankruptcy Code that alternative credit on more favorable terms be unavailable to the Debtors is satisfied.

D. The Roll-Up is Appropriate.

42. Section 363(b) of the Bankruptcy Code permits a debtor to use, sell, or lease property, other than in the ordinary course of business, with court approval. It is well settled in the Third Circuit that such transactions should be approved when they are supported by a sound

business purpose. *See In re Abbots Dairies, Inc.*, 788 F.2d 143 (3d Cir. 1986) (holding that in the Third Circuit, a debtor’s use of assets outside the ordinary course of business under section 363(b) of the Bankruptcy Code should be approved if the debtor can demonstrate a sound business justification for the proposed transaction). The business judgment rule shields a debtor’s management from judicial second-guessing. *In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986) (“[T]he [Bankruptcy] Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor’s management decisions.”).

43. Repaying prepetition debt with postpetition financing (often referred to as a “roll-up”) is a common feature in debtor-in-possession financing arrangements. The importance of “roll-up” features in DIP facilities has been repeatedly recognized by courts in this district and others, and such courts have granted relief similar to the relief requested herein. *See, e.g., In re Accuride Corp.*, No. 21-12289 (JKS) (Bankr. D. Del. Feb. 6, 2025) (authorizing DIP facilities of approximately \$103 million, including \$30 million of new money DIP term loans and a roll-up of approximately \$73 million); *In re American Tire Distributors, Inc.*, No. 24-12391 (CTG) (Bankr. D. Del. Nov. 11, 2024) (authorizing DIP facilities of approximately \$1.2 billion, including \$420 million of new money DIP term loans and a roll-up of approximately \$780 million of prepetition debt); *In re Wheel Pros, LLC*, No. 24-11939 (JTD) (Bankr. D. Del. Sept. 10, 2024) (authorizing DIP facilities of approximately \$285 million, including \$110 million of new money DIP term loans and a roll-up of approximately \$175 million of a prepetition ABL facility); *In re Vyair Medical, Inc.*, No. 24-11217 (BLS) (Bankr. D. Del. June 10, 2024) (authorizing a \$180 million DIP facility, including \$45 million of new money DIP term loans and a \$135 million roll-up of prepetition first lien term loans); *In re Express, Inc.*, No. 24-10831 (KBO) (Bankr. D. Del. June 6, 2024) (authorizing DIP facilities of approximately \$225 million, including \$25

million of new money DIP term loans and a roll-up of approximately \$63 million of prepetition term loans and approximately \$136 million of a prepetition ABL facility).⁶

44. As set forth above, the DIP Term Sheets provide that, subject to entry of the Final Order, the DIP Facilities will be used to roll up to approximately \$1.1 billion of the Debtors' prepetition debt under the Senior Loan Facility. This repayment is a sound exercise of the Debtors' business judgment and is a material component of the structure of the DIP Facilities. Without access to the additional liquidity provided under the DIP Facilities and continued access to the Cash Collateral, the Debtors will be unable to fund the necessary administrative costs of these chapter 11 cases and successful reorganization.

45. As discussed herein and in the Singh Declaration, the Roll-Up Loans were the subject of arm's-length and good-faith negotiations between the Debtors and the DIP Lenders, are integral components of the overall terms of the DIP Facilities, and were required by the DIP Lenders as considerations for the extension of postpetition financing. *See* Singh Decl. ¶ 25. Given that, without immediate access to the DIP Facilities and access Cash Collateral, the Debtors will be unable to maintain ordinary-course business operations during these chapter 11 cases and the fact no other party has put forward an executable financing proposal, among other reasons, the Roll-Up Loans pursuant to the Final Order are reasonable, appropriate, a sound exercise of the Debtors' business judgment, and ultimately in the best interest of all stakeholders given the alternatives.

⁶ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

V. The Debtors Should Be Authorized to Pay the Fees Required by the DIP Agents and the DIP Lender(s) Under the DIP Documents.

46. Under the DIP Documents, the Debtors will, subject to Court approval, pay certain fees to each of the DIP Agents and DIP Lenders. These fees are customary and reasonable under the circumstances. Additionally, they are comparable to fees agreed upon in similar DIP financings. As set forth in the Singh Declaration, the fees and expenses were negotiated at arm's length and are, in aggregate, generally consistent with debtor-in-possession financings of this type. *See* Singh Decl. ¶¶ 27-28. These fees, moreover, were expressly required by the DIP Lenders as a condition to providing financing. *Id.* The Debtors considered the amounts described above when determining in their sound business judgment that the DIP Facilities constituted the best terms on which the Debtors could obtain the postpetition financing necessary to continue their operations and prosecute these chapter 11 cases. The Debtors do not believe that a loan with terms similar to those in the DIP Facilities is readily available to the Debtors for lower fees. The fees and expenses provided for under the DIP Facilities are reasonable and within market practice for debtor-in-possession financings of this size and type. Accordingly, the Court should authorize the Debtors to pay the fees and expenses provided under the DIP Documents in connection with the DIP Facilities.

47. Courts in this district have approved similar aggregates in fees in large chapter 11 cases. *See, e.g., In re Accuride Corp.*, No. 24-12289 (JKS) (Bankr. D. Del. Feb. 6, 2025) (approving an upfront fee of 4 percent, an exit fee of 2 percent, a sale premium fee of 10 percent, and a backstop fee 5 percent); *In re American Tire Distributors, Inc.*, No. 24-12391 (CTG) (Bankr. D. Del. Nov. 11, 2024) (approving an arrangement fee of 0.075 percent and a ticking fee of 3.5 percent); *In re Wheel Pros, Inc.*, No. 24-11939 (JTD) (Bankr. D. Del. Oct. 15, 2024) (approving a closing fee of 3 percent, an exit fee of 5 percent, and a letter of credit fee of 4.25 percent);

In re Vyaire Med., Inc., No. 24-11217 (BLS) (Bankr. D. Del. Jun. 10, 2024) (approving a commitment fee of 2 percent of the new money DIP loan, a backstop fee of 5 percent, and an exit fee of 1.25 percent); *In re Express, Inc.*, No. 24-10831 (KBO) (Bankr. D. Del. June 6, 2024) (approving a commitment fee of 1 percent, a commitment fee of 0.25 percent, and a fronting fee of 0.125 percent); *In re Carestream Health, Inc.*, No. 22-10778 (JKS) (Bankr. D. Del. Aug. 24, 2022) (approving a commitment fee of approximately 2 percent, an exit fee of approximately 4 percent, an undrawn DIP fee of 1 percent, and an agency fee).

VI. The DIP Lender(s) Should Be Afforded Good-Faith Protection Under Section 364(e) of the Bankruptcy Code.

48. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. Section 364(e) of the Bankruptcy Code provides that:

The reversal or modification on appeal of an authorization under this section [364 of the Bankruptcy Code] to obtain credit or incur debt, or of a grant under this section of a priority or a lien, does not affect the validity of any debt so incurred, or any priority or lien so granted, to an entity that extended such credit in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and the incurring of such debt, or the granting of such priority or lien, were stayed pending appeal.

49. The DIP Facilities are the result of (i) the Debtors' reasonable and informed determination that the DIP Lenders offered the most favorable terms on which to obtain vital postpetition financing, and (ii) extensive arm's-length, good-faith negotiations with the DIP Lenders. The terms and conditions of the DIP Facilities are reasonable and appropriate under the circumstances, and the proceeds of the DIP Facilities will be used only for purposes that are permissible under the Bankruptcy Code and the DIP Documents. Furthermore, no consideration is being provided to any party to the DIP Documents other than as described herein.

50. Accordingly, the Court should find that the obligations arising under the DIP Facilities and other financial accommodations made to the Debtors have been extended by the DIP Agent and the DIP Lenders in “good faith” within the meaning of section 364(e) of the Bankruptcy Code and therefore the DIP Agent and the DIP Lenders are entitled to all of the protections afforded thereby.

VII. The Automatic Stay Should Be Modified on a Limited Basis.

51. The proposed Interim Order provides that the automatic stay provisions of section 362 of the Bankruptcy Code will be modified to allow the DIP Agents to file financing statements, security agreements, mortgages, leasehold mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Liens (as defined in the Interim Order). The proposed Interim Order further provides that the automatic stay be modified to the extent necessary to implement the terms of the Interim Order. Finally, the proposed Interim Order provides that the automatic stay shall be vacated and modified, subject to certain limitations, to the extent necessary to permit the DIP Agent and DIP Lenders to exercise certain remedies upon the occurrence of an event of default by the Debtors under the DIP Documents.

52. Stay modifications of this kind are ordinary and standard features of debtor in possession financing arrangements, and, in the Debtors’ business judgment, are reasonable and fair under the circumstances of these chapter 11 cases. *See, e.g., In re Accuride Corporation*, No. 24-12289 (JKS) (Bankr. D. Del. Feb. 6, 2025) (modifying automatic stay as necessary to effectuate the terms of the order); *In re American Tire Distributors, Inc.*, No. 24-12391 (CTG) (Bankr. D. Del. Nov. 11, 2024) (same); *In re Wheel Pros, LLC*, No. 24-11939 (JTD) (Bankr. D. Del. Sept. 10,

2024) (same); *In re Vyair Medical, Inc.* No. 24-11217 (BLS) (Bankr. D. Del. Jun. 10, 2024) (same); *In re Express, Inc.*, No. 24-10831 (KBO) (Bankr. D. Del. April 24, 2024) (same).⁷

VIII. Failure to Obtain Immediate Interim Access to the DIP Facilities Would Cause Immediate and Irreparable Harm.

53. Bankruptcy Rule 4001(c) provides that a final hearing on a motion to obtain credit pursuant to section 364 of the Bankruptcy Code may not be commenced earlier than 14 days after the service of such motion. Upon request, however, the Court may conduct a preliminary, expedited hearing on the motion and authorize the obtaining of credit to the extent necessary to avoid immediate and irreparable harm to a debtor's estate. *See* Bankruptcy Rule 4001(c)(2). Section 363(c)(3) of the Bankruptcy Code authorizes the court to conduct a preliminary hearing and to authorize the use of cash collateral "if there is a reasonable likelihood that the [debtor] will prevail at the final hearing under [section 363(e) of the Bankruptcy Code]." 11 U.S.C. § 363(c)(3).

54. For the reasons noted above and in the Singh Declaration, and the Grossi Declaration, it is imperative that the Debtors obtain additional liquidity under the DIP Facilities and access to use Cash Collateral at the outset of these chapter 11 cases. *See* Singh Decl. ¶ 24; Grossi Decl. ¶ 14. This relief is essential to the Debtors' preservation and maximization of estate value for the benefit of all stakeholders. Absent interim approval of the relief requested in this motion, the Debtors would face immediate and irreparable harm due to liquidity constraints and resulting operational and business challenges, including erosion of employee, vendor, and customer confidence. As such, interim approval of the relief requested herein will be critical to the Debtors' ability to continue operating in the ordinary course of business and successfully administer these chapter 11 cases.

⁷ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this motion. Copies of these orders are available upon request of the Debtors' proposed counsel.

55. The Debtors request that the Court hold and conduct a hearing to consider entry of the Interim Order authorizing the Debtors, from and after entry of the Interim Order until the Final Hearing, to receive initial funding under the DIP Facilities. This relief will enable the Debtors to preserve and maximize value and, therefore, avoid immediate and irreparable harm and prejudice to their estates and all parties in interest, pending the Final Hearing.

Request for Final Hearing

56. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, and in no event after twenty-one days after the Petition Date, and fix the time and date prior to the Final Hearing for parties to file objections to this motion.

The Requirements of Bankruptcy Rule 6003(b) Are Satisfied

57. Bankruptcy Rule 6003 empowers a court to grant certain relief within the first twenty-one days after the petition date only “to the extent that relief is necessary to avoid immediate and irreparable harm.” For the reasons discussed above, an immediate and orderly transition into chapter 11 is critical to the viability of the Debtors’ operations. Failure to receive the requested relief during the first twenty-one days of these chapter 11 cases would severely disrupt the Debtors’ operations at this critical juncture and cause immediate and irreparable harm. The requested relief is necessary for the Debtors to operate their businesses in the ordinary course, preserve the ongoing value of their operations, and maximize value of their estates for the benefit of all stakeholders. The Debtors have demonstrated that the requested relief is “necessary to avoid immediate and irreparable harm,” as contemplated by Bankruptcy Rule 6003, and the Court should grant the requested relief.

Notice

58. The Debtors will provide notice of this motion to: (a) the United States Trustee for the District of Delaware; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the office of the attorney general for each of the states in which the Debtors operate; (d) United States Attorney’s Office for the District of Delaware; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the United States Department of Justice; (h) Mayer Brown LLP, as counsel to the DIP Agent; (i) Davis Polk & Wardwell LLP, as counsel to Mizuho Bank, Ltd., in all capacities other than as Prepetition Agent; (j) Young Conaway Stargatt & Taylor, LLP, as counsel to Mizuho Bank, Ltd., in its capacity as Prepetition Agent; (k) Akin Gump Strauss Hauer & Feld LLP, as counsel to the Ad Hoc Group of Senior Lenders; (l) Paul, Weiss, Rifkind, Wharton & Garrison LLP, as counsel to the Sponsors; and (m) any party that has requested notice pursuant to Bankruptcy Rule 2002 (the “Notice Parties”). As this motion is seeking “first day” relief, the Debtors will serve copies of this motion and any order entered in respect to this motion as required by Local Rule 9013-1(m). In light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

59. No prior request for the relief sought in this motion has been made to this or any other court.

WHEREFORE, the Debtors request entry of DIP Orders, (a) granting the relief requested herein and (b) granting such other relief as the Court deems appropriate under the circumstances.

(i) Good and sufficient cause has been shown for the entry of this Interim Order and for authorizing the Debtors to obtain financing pursuant to the Senior DIP Term Sheet, Senior DIP Credit Agreement and Junior DIP Term Sheet, to use the Cash Collateral and to authorize the provision of adequate protection as a proper exercise of the Debtors' business judgment and to avoid immediate and irreparable loss or damage to the Debtors and the estates.

(ii) As set forth in the Motion, the DIP Declarations, and the First Day Declaration, the Debtors have an ongoing and immediate need to continue to use Cash Collateral and to obtain credit pursuant to the DIP Facilities, in order to, among other things: (a) pay transaction costs, fees, and expenses that are incurred in connection with the DIP Facility; (b) fund working capital and general corporate purposes of the Borrower and Guarantors; (c) make adequate protection payments as set forth herein; and (b) fund (i) the administration of the Chapter 11 Cases, (ii) the Emergency Loan Repayment (defined below) upon entry of the Final Order,

(iii) distributions pursuant to a plan of reorganization, if applicable, (iv) the wind-down of the Debtors' estates after the consummation of a 363 Sale, if applicable, and (v) the Carve-Out, each case of the foregoing (other than funding the Carve Out) in accordance with the DIP Budget or as otherwise approved by the Required DIP Lenders. The proceeds of the Tranche C Loans shall be used to repay the equivalent principal amount of the Junior DIP Lenders' Prepetition Senior Loan Obligations outstanding under the Prepetition Senior Loan Agreement, subject to the terms of the Final Order. The Debtors will not have sufficient sources of working capital to operate their businesses or maintain their properties in the ordinary course of business during these Chapter 11 Cases without the use of Cash Collateral and the extension of the DIP Facility. Absent granting the relief set forth in this Interim Order, the Debtors' estates and their businesses will be irreparably harmed.

(iii) As set forth in the Motion, the DIP Declarations, and the First Day Declaration, the Debtors are unable to obtain postpetition financing or other financial accommodations on more favorable terms under the circumstances from sources other than the DIP Lenders pursuant to the terms and provisions of the Senior DIP Term Sheet, the Senior DIP Credit Agreement and Junior DIP Term Sheet and the other DIP Documents, and are unable to obtain satisfactory unsecured credit allowable under Bankruptcy Code section 503(b)(1). The Debtors are also unable to obtain secured credit with liens equal or junior to existing liens allowable under Bankruptcy Code sections 364(c)(2) or 364(c)(3) and, therefore, must grant, for the benefit of the DIP Lenders, liens that are priming or *pari passu* to the Prepetition Liens under Bankruptcy Code section 364(d)(1) and a DIP Superpriority Claim (as defined below) on the terms and conditions set forth in this Interim Order and the DIP Documents, including the Lien/Claim Priorities Exhibit. The Roll-Up, as provided for under the Junior DIP Facility and pursuant to the

Final Order, is appropriate because the Junior DIP Lenders would not have been willing to provide the Junior DIP Facility or extend postpetition credit to the Debtors thereunder without the inclusion of the Roll-Up within the Junior DIP Facility.

(iv) Based upon the Motion, the First Day Declaration, the DIP Declarations, and the record presented to the Court at the Interim Hearing, the terms of the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents, and the terms of the adequate protection granted to the Prepetition Secured Parties as provided in this Interim Order, are fair and reasonable under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent with the Debtors' fiduciary duties, and provide the Debtors reasonably equivalent value and fair consideration.

(v) The Prepetition Secured Parties have not objected to (or, as applicable, have not been directed to object to), entry of this Interim Order, the Debtors' entry into the DIP Facility, including the granting of priming liens and claims in connection therewith and the continued use of Cash Collateral, and certain Prepetition Senior Loan Secured Parties have consented to such relief on the terms and conditions set forth in this Interim Order.

(vi) The DIP Facilities and the use of Prepetition Collateral (including Cash Collateral) to, among other things, fund the administration of the Debtors' estates, the continued operation of the Debtors' businesses, and the incurrence and payment of any Adequate Protection Obligations pursuant to this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, and the other DIP Documents, have been negotiated in good faith and at arm's-length among the Debtors, the DIP Lenders, the DIP Agents (together with the DIP Lenders, the "DIP Secured Parties"), and certain Prepetition Senior Loan Secured Parties, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with

the DIP Facilities, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, and the other DIP Documents, including, without limitation, all loans made to, and guarantees issued by, the Debtors pursuant to the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet and the other DIP Documents, and any DIP Obligations, shall be deemed to have been extended by the DIP Agents and the DIP Lenders, and their respective affiliates, in good faith, as that term is used in Bankruptcy Code section 364(e), and in express reliance upon the protections offered by Bankruptcy Code section 364(e), and the DIP Agents and the DIP Lenders (and their successors and assigns) shall be entitled to the full protection of Bankruptcy Code section 364(e) in the event that this Interim Order or any provision hereof is vacated, reversed, or modified on appeal.

H. Permitted Prior Liens; Continuation of Prepetition Liens. Nothing herein shall constitute a finding or ruling by this Court that any alleged Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice any rights of any party in interest, including, but not limited to, any of the Debtors, the DIP Secured Parties, or the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Permitted Prior Lien or security interest. Subject to entry of the Final Order, and to the extent set forth therein, the right of a seller of goods to reclaim such goods under Bankruptcy Code section 546(c) is not a Permitted Prior Lien and is expressly subject and subordinate to the DIP Liens and the Adequate Protection Liens.

I. Sections 506(c) and 552(b). Subject to entry of the Final Order, and to the extent provided therein, the Debtors and the DIP Secured Parties have agreed, as a condition to the DIP Lenders extending postpetition financing to the Debtors under the DIP Facilities, a material inducement to the DIP Secured Parties to agree to provide the New Money DIP Loans and enter

into the DIP Facilities, and in exchange for (a) the DIP Secured Parties' willingness to provide the DIP Facilities to the extent set forth herein, (b) the DIP Agents' and the DIP Lenders' agreement to subordinate their DIP Liens and superpriority claims granted hereunder to the Carve Out, and (c) the consensual use of Cash Collateral consistent with the DIP Budget and the terms of this Interim Order, each of the DIP Secured Parties and certain Prepetition Senior Loan Secured Parties have negotiated for, and the Debtors intend to seek, (1) a waiver of any equities of the case exceptions or claims under Bankruptcy Code section 552(b) and a waiver of unjust enrichment and similar equitable relief as set forth below, and (2) a waiver of the provisions of Bankruptcy Code section 506(c) subject to the terms hereof.

J. Immediate Entry. Good and sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2). Consummation of the Senior DIP Facility and the use of Cash Collateral in accordance with this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, and the other DIP Documents is in the best interests of the Debtors' estates and consistent with the Debtors' exercise of their fiduciary duties.

Based upon the foregoing findings and conclusions, the Motion and the record before this Court with respect to the Motion, and after due consideration, and good and sufficient cause appearing thereof,

IT IS HEREBY ORDERED THAT:

1. Motion Granted. The Motion is granted on an interim basis to the extent set forth herein. The DIP Facilities are approved on an interim basis. The use of Cash Collateral on an interim basis is authorized, subject to the terms of this Interim Order.

2. Objections Overruled. Any and all objections to this Interim Order, to the extent not withdrawn, waived, settled, or otherwise resolved, and all reservations of rights included therein, are hereby overruled on the merits. This Interim Order shall become effective immediately upon its entry.

3. Authorization of the DIP Facilities and the DIP Documents.

(a) The Debtors are hereby expressly authorized and directed to execute, enter into and perform all obligations under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet and the other DIP Documents, which are each hereby approved.

(b) Upon entry of this Interim Order, the Debtors are immediately authorized, subject to the terms and conditions of this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, and the other DIP Documents, to borrow up to an aggregate principal amount of \$864,782,594 of Tranche A Loans, to enter into the DIP Commitment Letter for \$242,139,126 of the Tranche B Loans available upon entry of the Final Order, and to incur and pay the principal, interest, premium, fees (including the DIP Fees), indemnities, expenses and other amounts provided for in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, the other DIP Documents, and this Interim Order, pursuant to the terms and provisions thereof, subject to any limitations on availability or borrowing under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, the other DIP Documents, and this Interim Order, which new-money borrowings shall be used for all purposes as permitted under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, the other DIP Documents, and this Interim Order (including pursuant to the DIP Budget).

(c) In furtherance of the foregoing, and without further approval of this Court, the Debtors are authorized to perform all acts, to make, execute, and deliver all instruments, certificates, agreements, and documents (including, without limitation, the execution or recordation of pledge and security agreements, financing statements, and other similar documents) and to pay all fees, expenses and other amounts in connection with or that may be reasonably required (including, with respect to professional fees, those set forth in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet, the other DIP Documents, and this Interim Order), appropriate or desirable for the Debtors' performance of their obligations under or related to the DIP Facility, including, without limitation:

(i) the execution and delivery of, and performance under, each of the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet and the other DIP Documents and any collateral documents contemplated thereby;

(ii) the non-refundable and irrevocable payment to the DIP Agents and the DIP Lenders, as the case may be, of all premiums, fees and expenses, including the DIP Fees (which fees and expenses, in each case, were and were deemed to have been approved upon entry of this Interim Order, whether or not the fees and expenses arose before or after the Petition Date, shall not be subject to any contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, applicable non-bankruptcy law, or otherwise), and any amounts due (or that may become due) in respect of the indemnification and expense reimbursement obligations, in each case referred to in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet or the other DIP Documents with respect to those indemnified and/or reimbursable parties specifically set forth therein, including (A) a structuring

mandatory prepayments, cancellation of the commitments with respect to any Tranche B Loans, refinancing, acceleration, maturity, or any other satisfaction (in whole or in part) of the Tranche B Loans, and calculated by reference to the original principal amount of the Tranche B Loans so repaid, prepared, or the commitments with respect to which are cancelled (the “Junior Exit Fee”); *provided*, that such Junior Exit Fee shall be payable in cash to the extent such Tranche B Loans are required to be repaid or repaid in cash (whether as a result of refinancing, prepayments, acceleration or a reduction in Tranche B Loan commitments), (G) a backstop premium equal to 5.00% of the New Money Commitment with respect to the Tranche B Loans committed by the Backstop Parties pursuant to the terms of the Junior DIP Commitment Letter, earned upon entry of this Interim Order and due and payable in kind as additional Tranche B Loans to the Backstop Parties upon the initial funding of the Tranche B Loans (the “Backstop Commitment Premium”), (E) an unused ticking fee of 3.00% per annum commencing on the Closing Date, in each case, of the aggregate unfunded commitments with respect to the Tranche B Loans, paid in kind to the DIP Lenders funding the Tranche B Loans monthly in arrears on the first day of each such month (the “Ticking Fee,” and together with the Structuring Fee, Senior Exit Fee, Senior Ticking Fee, OID, Commitment Fee, and Junior Exit Fee, and Backstop Commitment Premium, the “DIP Fees”), (F) with respect to the DIP Secured Parties, any applicable premium and all reasonable and documented costs and expenses as may become due from time to time under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, and this Interim Order, including fees and expenses of counsel, financial advisors, and other professionals retained by the DIP Agents and the DIP Lenders (to the extent provided by the DIP Documents), and the other fees and expenses of other professionals as specifically provided for in

the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, and this Interim Order, subject to paragraph 23 below;

(iii) the granting of all liens and claims with respect to, and the making of any payments in respect of, the Adequate Protection Obligations to the extent provided for in this Interim Order; and

(iv) the performance of all other acts necessary, appropriate, or desirable under, or in connection with, the DIP Term Sheet and the other DIP Documents.

4. DIP Obligations. Upon execution and delivery of the DIP Documents, the DIP Documents shall constitute legal, valid, binding, and non-avoidable obligations of the Debtors, enforceable in accordance with the terms of this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents, against the Debtors and their estates and any successors thereto, including any trustee appointed in the Chapter 11 Cases, or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing. The DIP Obligations shall be due and payable, without notice or demand, and the use of Cash Collateral shall cease on the Termination Declaration Date (as defined below) or the occurrence of any event or condition set forth in paragraph 17 of this Interim Order (subject to the remedies procedures outlined in paragraph 18 herein); *provided, however*, that the Debtors may utilize Cash Collateral during the Notice Period (as defined below) in amounts not to exceed the DIP Budget pending a hearing. Except as permitted by this Interim Order, no obligation, payment, transfer, or grant of security hereunder or under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet or the other DIP Documents to the DIP Agents and/or the DIP Lenders shall be stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy

Code or under applicable law (including, without limitation, under Bankruptcy Code sections 502(d), 544, and 547 to 550, or under any applicable state Uniform Voidable Transactions Act, Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any defense, avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), disallowance, impairment, claim, counterclaim, cross-claim, or challenge, whether under the Bankruptcy Code or any other applicable law or regulation by any person or entity for any reason.

5. DIP Liens. Subject and subordinate to the Carve Out, and at all times subject to the relative rank and priorities set forth in the Lien/Claim Priorities Exhibit and this paragraph 5, effective and automatically perfected upon entry of this Interim Order, the DIP Obligations shall be secured by valid, binding, continuing, enforceable, fully-perfected, non-avoidable, automatically and properly perfected liens on, and security interests in (such liens and security interests granted (i) with respect to the Senior DIP Facility and the Tranche A Loans thereunder, the “Tranche A DIP Liens,” to the Senior DIP Agent for the benefit of the Senior DIP Secured Parties, (ii) (a) with respect to the Junior DIP Facility and the Tranche B Loans thereunder, the “Tranche B DIP Liens,” and (b) with respect to the Junior DIP Facility and the Tranche C Loans thereunder, the “Tranche C DIP Liens,” in each case to the Junior DIP Agent for the benefit of the Junior DIP Secured Parties, and together with the Tranche A DIP Liens and the Tranche B DIP Liens, collectively, the “DIP Liens”) all assets (whether tangible, intangible, real, personal, or mixed) of the Debtors (and their bankruptcy estates) of any nature whatsoever and wherever located, whether first arising prior to or following the Petition Date (including the Prepetition Collateral), now owned or hereafter acquired, including all accounts, chattel paper, claims and causes of action (other than Avoidance Actions), commercial tort claims, deposit accounts,

documents, equipment, general intangibles, goods (including fixtures), instruments, inventory, investment property, money, cash, cash equivalents, and all deposit accounts, securities accounts, commodities accounts, and lockboxes, together with all money, cash, securities, and other investment property on deposit from time to time therein, letters of credit, letter-of-credit rights, and other supporting obligations, real property, books and records, and to the extent not otherwise included, all substitutions, replacements, accessions, products, and other proceeds and products (whether tangible or intangible and including, without limitation, insurance proceeds (including all proceeds from any directors’/officers’ liability insurance policies), licenses, royalties, income, payments, claims, damages, and proceeds of suit) of any and all of the foregoing, and all collateral security and guarantees given by any person with respect to any of the foregoing, the right, title, or interest in any capital stock, investment property, partnership, membership, or other equity or similar interests in any entity (whether or not such entity is a Debtor), including all capital stock, securities accounts, investment property, partnership, and membership, other equity or similar interests (and including all rights, beneficial interests, causes of action, and choses of action related thereto) of the Debtors, whether existing as of the Petition Date or after acquired (all such property, excluding the Excluded Collateral (as defined in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, Junior DIP Term Sheet and set forth in, as applicable, the other DIP Documents), the “DIP Collateral”); *provided, however*, that DIP Collateral shall, subject to entry of the Final Order, also include the proceeds or property recovered, unencumbered or otherwise, of any claims and causes of action under Bankruptcy Code sections 502(d), 544, 545, 547, 548, 549, and 550 (“Avoidance Actions” and, such proceeds, the “Avoidance Proceeds”). The DIP Liens will otherwise have the following priorities (subject to paragraph 33(ii) hereof):

(a) *First Priority Liens on Unencumbered Property.* Pursuant to Bankruptcy Code section 364(c)(2), subject and subordinate to the Carve Out, a valid, binding, continuing, enforceable, fully-perfected, first-priority senior security interest in and lien upon all of the DIP Collateral, including, without limitation, all prepetition and postpetition property of the Debtors, whether existing on the Petition Date or thereafter acquired, that, on or as of the Petition Date, is not subject to Prepetition Liens or any other valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted by Bankruptcy Code section 546(b)) including, subject to entry of the Final Order, Avoidance Proceeds (collectively, the “Previously Unencumbered Property”) subject and subordinate only to the Carve Out, and as to the Carve Out Reserves and funds therein, to the extent of any Carve Out Security Interest (as defined below) and subject to the priorities set forth in the Lien/Claim Priorities Exhibit;

(b) *Priming Liens.* Pursuant to Bankruptcy Code section 364(d)(1), a valid, binding, continuing, enforceable, fully perfected, first-priority priming security interest and lien (the “Priming Liens”) on all DIP Collateral constituting Prepetition Collateral (including Emergency Loan Collateral and Prepetition Senior Loan Collateral), whether in existence on the Petition Date or thereafter created, acquired, or arising, and wherever located, to the extent that such DIP Collateral is subject to any of the Prepetition Liens, subject and subordinate only to the Carve Out and to Permitted Prior Liens, and as to the Carve Out Reserves, and funds therein, to the extent of any Carve Out Security Interest. The Priming Liens shall prime and be senior in all respects to the liens and security interests in such property of the Prepetition Secured Parties with respect to the Prepetition Emergency Loan Agreement and the Prepetition Senior Loan Agreement (including, without limitation, the Prepetition Liens, the Adequate Protection Liens granted hereunder and any purported prepetition liens (the “Primed Liens”). Notwithstanding anything

herein to the contrary, the Priming Liens shall be (i) subject and junior to the Permitted Prior Liens and will have no recourse to the Carve Out Reserves, or the funds therein (other than to the extent of the Carve Out Security Interest on the terms herein and in all cases, for the avoidance of doubt, subject and subordinate to the Carve Out) in all respects, (ii) senior in all respects to the Primed Liens and the Adequate Protection Liens, and (iii) subject to the priorities set forth in the Lien/Claim Priorities Exhibit.

(c) *No Senior Liens.* Except to the extent permitted hereunder, the DIP Liens shall not be made subject or subordinate to or made *pari passu* with (i) any lien or security interest that is avoided and preserved for the benefit of the Debtors or their estates under Bankruptcy Code section 551, (ii) any liens or security interests granted in favor of any federal, state, municipal or other governmental unit (including any regulatory body), commission, board or court for any liability of the DIP Loan Parties, (iii) any intercompany or affiliate claim, lien or security interest of the DIP Loan Parties or their affiliates, or (iv) any other lien, security interest or claim arising under Bankruptcy Code section 363 or 364 granted on or after the date hereof.

6. DIP Superpriority Claims. Pursuant to Bankruptcy Code section 364(c)(1), all of the DIP Obligations shall constitute allowed superpriority administrative expense claims against the Debtors on a joint and several basis (without the need to file any proof of claim) with priority over any and all claims against the Debtors, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kind specified in Bankruptcy Code sections 503(b) and 507(b) and any and all administrative expenses or other claims (“Administrative Expense Claims”) arising under Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 365, 503(b), 506(c) (subject to entry of the Final Order to the extent set forth therein), 507(a), 507(b), 726, 1113, or 1114 (including the Adequate Protection Obligations),

whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy, or attachment, which allowed claims (with respect to the DIP Obligations under the Senior DIP Facility, the “Tranche A DIP Superpriority Claims,” and with respect to the DIP Obligations under the Junior DIP Facility, the “Tranche B DIP Superpriority Claims” or the “Tranche C DIP Superpriority Claims,” as applicable, and collectively, the “DIP Superpriority Claims”) shall, for purposes of Bankruptcy Code section 1129(a)(9)(A), be considered administrative expenses allowed under Bankruptcy Code section 503(b), and which DIP Superpriority Claims shall be payable from, and have recourse to, all of the DIP Collateral and all proceeds thereof in accordance with the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, and this Interim Order, including the Lien/Claim Priorities Exhibit, subject only to payment in full of the Carve Out and provided that the DIP Superpriority Claims will have no recourse to the Carve Out Reserves, or the funds therein, except to the extent of any Carve Out Security Interest on the terms set forth herein after payment in full of the Carve Out. The DIP Superpriority Claims shall be entitled to the full protection of Bankruptcy Code section 364(e) if this Interim Order or any provision hereof is vacated, reversed, or modified on appeal.

7. DIP Budget Compliance and Reporting.

(a) Attached to this Interim Order as **Exhibit 2** is a 13-week cash flow forecast for the 13-week period commencing on the Petition Date, in form and substance acceptable to the Required DIP Lenders, which reflects, among other things, the Debtors’ projected receipts, disbursements, (including professional fees, which shall not be subject to the Permitted Variances (as defined below)), net operating cash flow and liquidity for the period covered thereby (the “Initial DIP Budget”). The Debtors shall deliver an updated 13-week cash forecast in form and

substance satisfactory to the Required DIP Lenders (together with the Initial DIP Budget, the “DIP Budget”) on or prior to the first Friday of every four (4) calendar weeks following entry of this Interim Order. Any amendments, supplements, or modifications to the DIP Budget or Budget Variance Report (as defined below) shall be subject to the prior written approval of the Required DIP Lenders in their sole discretion prior to the implementation thereof. If the Required DIP Lenders have approved in writing or have not objected (including through counsel by electronic mail) within five (5) business days of receipt of such proposed updated DIP Budget, the proposed updated DIP Budget shall become the DIP Budget. Until any such updated budget, amendment, supplement, or modification has been approved by the Required DIP Lenders (or until the passage of the aforementioned five (5) business day period without receiving an objection to such proposed updated DIP Budget, as applicable, after which time the proposed new DIP Budget shall become effective), the Debtors shall be subject to and be governed by the terms of the DIP Budget then in effect.

(b) The Debtors shall at all times comply with the DIP Budget, subject to the Permitted Variances (as defined below). Commencing on the fifth Friday following the entry of the Interim Order (or the successive business day if such Friday is not a business day) and continuing every week thereafter (by 12:00 p.m. (prevailing Eastern Time) on each such applicable Friday (or the successive business day if such Friday is not a business day), the Debtors shall deliver by email to the DIP Agents and the DIP Lenders, a variance report (each, a “Budget Variance Report”) for the immediately preceding four-week period then ended (the “Variance Period”) setting forth the difference between, on a line-by-line and aggregate basis, (i) actual operating disbursements, non-operating activities, and first day motion relief and budgeted operating disbursements, non-operating activities, and first day motion relief, (ii) actual operating

receipts and budgeted operating receipts, and (iii) actual professional fees and budgeted professional fees and describing in adequate detail all material variances for such Variance Period. The actual amount of “Net Cash Flow” for each Variance Period (excluding, for purposes of determining budget compliance and calculation of the Permitted Variances (as defined below), Allowed Professional Fees and repayment of the Emergency Loan Repayment shall not exceed the amount of forecasted Net Cash Flow for such Variance Period in the applicable DIP Budget by more than 25.0% (collectively, the “Permitted Variances”), so long as the amount of the Permitted Variance exceeds \$25,000,000; provided that a breach of the foregoing budget test shall not constitute an Event of Default so long as the DIP Loan Parties are back in compliance with the DIP Budget then in effect (subject to the Permitted Variances) within two (2) weeks after the initial date of the breach. For the avoidance of doubt, any reference to “written consent” or “written approval” hereunder shall include consent or approval granted by email (including as communicated by counsel in writing to the DIP Lenders).

(c) Except as otherwise agreed to by the applicable DIP Agent, acting at the direction of the applicable Required DIP Lenders or as expressly permitted herein or in the DIP Term Sheet or the other DIP Documents, the Debtors’ use of the proceeds of the New Money DIP Loans and Cash Collateral shall only be permitted pursuant to the terms of, and in accordance with, the DIP Budget, subject to the Permitted Variances. The DIP Lenders and the DIP Agents, or the Prepetition Secured Parties, as applicable, shall have no obligation with respect to the Debtors’ use of the proceeds of the New Money DIP Loans and Cash Collateral, and shall not be obligated to ensure or monitor the Debtors’ compliance with the DIP Budget or to pay (directly or indirectly from the New Money DIP Loans or Cash Collateral) any expenses incurred or authorized to be incurred pursuant to the DIP Budget. The consent of the Required DIP Lenders, the DIP Agents

or the Prepetition Secured Parties, as applicable, to the use of New Money DIP Loans or Cash Collateral pursuant to this Interim Order and the DIP Term Sheet shall not be construed as consent to the use of any New Money DIP Loans or Cash Collateral after the occurrence of an Event of Default (as defined in the DIP Term Sheet and, once executed, the DIP Credit Agreement) (other than funding the Carve Out in full as set forth herein), regardless of whether the aggregate funds shown on the DIP Budget have been expended. The Debtors shall provide the DIP Lenders and the advisors to the Ad Hoc Group of Senior Lenders with all reporting and other information required to be provided to the DIP Agents under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents. In addition to, and without limiting, whatever rights to access the DIP Agents and the DIP Secured Parties have under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet or the other DIP Documents, upon reasonable notice, at reasonable times during normal business hours, the Debtors shall, to the extent reasonably practicable, permit representatives, advisors, agents, and employees of the DIP Agents and the DIP Lenders to: (i) have access to and inspect the Debtors' books and records; and (ii) discuss the Debtors' affairs, financings, and conditions with the Debtors' attorneys and financial advisors.

8. Carve Out.

(a) Carve Out. As used in this Interim Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$100,000 incurred by a trustee under Bankruptcy Code section 726(b) (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order,

procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to Bankruptcy Code sections 327, 328, or 363 (the “Debtor Professionals”) and the Committee pursuant to Bankruptcy Code sections 328 or 1103 (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the DIP Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$20 million incurred after the first business day following delivery by a DIP Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by a DIP Agent (acting at the direction of the applicable Required DIP Lenders) to the Debtors, their lead restructuring counsel, the U.S. Trustee, counsel to the Ad Hoc Group and counsel to the Committee, if any, which notice may be delivered following (x) the occurrence and during the continuation of an Event of Default and acceleration of the DIP Obligations under the DIP Facilities or (y) if all commitments under the DIP Facilities have been terminated, and all DIP Obligations have been indefeasibly paid, the termination of the Debtors’ right to use Cash Collateral, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by a DIP Agent to the Debtors and their counsel with a copy to the U.S. Trustee, each counsel to the DIP Lenders, and counsel to the Committee, if any, (the “Termination Declaration Date”), the Carve Out Trigger Notice shall (i) be deemed a draw request and notice of borrowing by the

Debtors for New Money DIP Loans under the then outstanding New Money Commitments (on a pro rata basis based on the then outstanding New Money Commitments), in an amount equal to the then unpaid amounts of the Allowed Professional Fees (any such amounts actually advanced shall constitute New Money DIP Loans) and (ii) also constitute a demand to the Debtors to utilize all cash on hand as of such date, and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees. The Debtors shall deposit and hold such amounts in a segregated account at the Senior DIP Agent in trust to pay such then unpaid Allowed Professional Fees (the “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims. On the Termination Declaration Date, the Carve Out Trigger Notice shall also (i) be deemed a request by the Debtors for New Money DIP Loans under the then outstanding New Money Commitments (on a pro rata basis based on the then outstanding New Money Commitments), in an amount equal to the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute New Money DIP Loans) and (ii) constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor, after funding the Pre-Carve Out Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap. The Debtors shall deposit and hold such amounts in a segregated account held by or under the control of the Senior DIP Agent in trust to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to any and all other claims. On the first business day after the DIP Agent gives such notice to such DIP Lenders (as defined in the DIP Credit Agreement), notwithstanding anything in the DIP Credit Agreement to the contrary, including with respect to the existence of a Default (as defined in the DIP Credit Agreement) or Event of Default,

the failure of the Debtors to satisfy any or all of the conditions precedent for New Money DIP Loans under the New Money DIP Facility, any termination of the New Money Commitments following an Event of Default, or the occurrence of the Maturity Date, each DIP Lender with an outstanding Commitment (on a pro rata basis based on the then outstanding Commitments) shall make available to the DIP Agent such DIP Lender's pro rata share with respect to such borrowing in accordance with the DIP Facility.

(c) Application of Carve-Out Reserves. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, in excess of the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to the DIP Agents to be paid in accordance with the Lien/Claim Priorities Exhibit and the DIP Documents, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all New Money Commitments have been terminated, in which case any such excess shall be paid to the Prepetition Agents, in each case for application in accordance with this Interim Order, including the Lien/Claim Priorities Exhibit.

(d) All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to the DIP Agents to be paid in accordance with the Lien/Claim Priorities Exhibit and the DIP Documents, unless the DIP Obligations have been indefeasibly paid in full, in cash, and all New Money Commitments have been terminated, in which case any such

excess shall be paid to the Prepetition Agents, in each case for application in accordance with the DIP Documents and this Interim Order, including the Lien/Claim Priorities Exhibit.

(e) Notwithstanding anything to the contrary in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, or this Interim Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph 8, then any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in this paragraph 8, prior to making any payments to the DIP Agents or the Prepetition Agents, as applicable.

(f) Notwithstanding anything to the contrary in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, or this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP Agents and the Prepetition Agents shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the DIP Agents for application in accordance with the DIP Documents.

(g) Further, notwithstanding anything to the contrary in this Interim Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute DIP Loans or increase or reduce the DIP Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the DIP Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt, and notwithstanding anything

to the contrary in this Interim Order or the DIP Documents, the Carve Out shall be senior to any and all liens and claims securing the DIP Facilities, the Adequate Protection Liens, the Adequate Protection Claims, the Prepetition Secured Obligations, the DIP Superpriority Claims and any and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Secured Obligations.

(h) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(i) No Direct Obligation to Pay Allowed Professional Fees. None of the DIP Agents, DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(j) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out from New Money DIP Loans funded after the Termination Declaration Date shall be added to, and made a part of, the DIP Obligations secured by the DIP Collateral, and shall be otherwise entitled to the protections granted under this Interim Order, the DIP Documents, the Bankruptcy Code, and applicable law.

9. Limitation on Charging Expenses against Collateral. Subject to entry of the Final Order and effective as of the Petition Date, in light of the agreement of the DIP Agents, the DIP Lenders, and certain Prepetition Senior Loan Secured Parties to (i) provide the New Money DIP Loans, (ii) allow the Debtors to use Cash Collateral as provided for herein, (iii) allow for the Carve Out, and (iv) allow for the subordination of the Primed Liens to the DIP Liens, no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the Prepetition Collateral or the DIP Collateral (except to the extent of the Carve Out) pursuant to Bankruptcy Code section 506(c) or any similar principle of law, without the prior written consent of the DIP Agents, the Required DIP Lenders, and the Prepetition Agents, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence.

10. No Marshaling/Application of Proceeds. Subject to entry of the Final Order and effective as of the Petition Date, the DIP Agents and the Prepetition Agents shall be entitled to apply the payments or proceeds of the DIP Collateral and the Prepetition Collateral in accordance with the provisions of the Final Order and in no event shall the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or Prepetition Collateral, as applicable.

11. Equities of the Case. Subject to entry of a Final Order and to the extent provided therein, effective as of the Petition Date, in light of, among other things, the agreement of the DIP Agents, the DIP Lenders, and certain Prepetition Secured Parties to provide the New Money DIP Loans and allow the Debtors to use Cash Collateral on the terms set forth herein, (i) the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties shall be entitled to the rights and

benefits of Bankruptcy Code section 552(b), if any, and (ii) the “equities of the case” exception under Bankruptcy Code section 552(b) shall not apply to such parties with respect to the proceeds, products, offspring, or profits of any of the Prepetition Collateral or the DIP Collateral, as applicable.

12. Payments Free and Clear. Subject and subordinate to the Carve Out in all respects, any and all payments or proceeds remitted to the DIP Agents on behalf of the DIP Lenders pursuant to the provisions of this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, and any other DIP Document or any subsequent order of this Court shall be irrevocable, received free and clear of any claim, charge, assessment, or other liability, including, without limitation, and subject only to entry of a Final Order to the extent provided therein, any claim or charge arising out of or based on, directly or indirectly, Bankruptcy Code sections 506(c) or 552(b), whether asserted or assessed by, through or on behalf of the Debtors.

13. Use of Cash Collateral. The Debtors are hereby authorized to use all Cash Collateral solely in accordance with this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, and the other DIP Documents, to the extent set forth in the DIP Budget, including, without limitation, to make payments on account of the Adequate Protection Obligations and other obligations provided for in this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, and the other DIP Documents. Except as pursuant to the DIP Budget, or on the terms and conditions of this Interim Order, or an order of the Court, or as otherwise agreed to by the DIP Agents (acting at the direction of the Required DIP Lenders), or, following payment in full in cash of the DIP Obligations and termination of the DIP Facilities, the Prepetition Senior Loan Agent (acting at the

direction of the requisite Prepetition Senior Loan Secured Parties), the Debtors shall be enjoined and prohibited from at any time using the Cash Collateral.

14. Adequate Protection for the Prepetition Secured Parties. Subject and subordinate only to the Carve Out and the terms of this Interim Order, including the Lien/Claim Priorities Exhibit, pursuant to Bankruptcy Code sections 361, 363(e), and 364, and in consideration of the stipulations and consents set forth herein, as adequate protection of their interests in the Prepetition Collateral (including Cash Collateral), for any postpetition diminution in value of such interests (such diminution, a “Diminution in Value”) resulting from the incurrence of additional debt and the imposition of the Priming Liens on the Prepetition Collateral, the Carve Out, the imposition of the automatic stay, the sale, lease, or use of the Prepetition Collateral (including Cash Collateral), or any other reason for which adequate protection may be granted under the Bankruptcy Code, the Prepetition Agents and the other Prepetition Secured Parties are hereby granted the following (collectively, the “Adequate Protection Obligations”); *provided* that the Prepetition Agents on behalf of the Prepetition Secured Parties shall have no recourse to the Carve Out Reserves except to the extent of the Carve Out Security Interests on the terms herein, and the adequate protection will otherwise include:

(a) Adequate Protection Liens. As security for and solely to the extent of any Diminution in Value, valid, binding, enforceable, non-avoidable, effective, and automatically perfected additional and replacement liens on, and security interest in, the Prepetition Collateral and the Previously Unencumbered Property (the “Adequate Protection Liens”), without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, intellectual property filings, mortgages, deeds of trust, notices of lien, or other similar instruments or documents. The Adequate

Protection Liens shall be (i) subject and subordinate to the Carve Out and the Permitted Prior Liens, (ii) subject to the relative priorities set forth in the Lien/Claim Priorities Exhibit, and (iii) senior to any and all other liens and security interests in the DIP Collateral.

(b) Adequate Protection Claims. As further adequate protection, and to the extent provided by Bankruptcy Code sections 503(b) and 507(b), an allowed Administrative Expense Claim in the Chapter 11 Cases of each of the Debtors to the extent of any postpetition Diminution in Value (the “Adequate Protection Claims”). The Adequate Protection Claims shall be payable from, and have recourse to, all DIP Collateral and all proceeds thereof. The Adequate Protection Claims shall be (i) subject and subordinate to the Carve Out and the DIP Superpriority Claims in all respects, (ii) subject to the relative priorities set forth in the Lien/Claim Priorities Exhibit, and (iii) senior to any and all other Administrative Expense Claims against each of the Debtors, now existing or hereafter arising, of any kind or nature whatsoever.

(c) Reporting. The Debtors shall deliver to the Prepetition Agents, for the benefit of the Prepetition Secured Parties all reports and notices deliverable to the DIP Lenders and/or the DIP Agents (and on the same date delivered to the DIP Lenders and/or the DIP Agents), as applicable, pursuant to this Interim Order, including, without limitation, the delivery of a DIP Budget and/or a Budget Variance Report.

(d) Fees and Expenses. As further adequate protection, the Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses (the “Adequate Protection Fees”), whether incurred before or after the Petition Date, of the Prepetition Secured Parties, to the extent set forth in the DIP Term Sheet, the other DIP Documents, and this Interim Order. The Adequate Protection Fees shall include, without limitation, the reasonable documented fees, costs and expenses of (i) Akin Gump Strauss Hauer &

Feld, LLP, as counsel to the Ad Hoc Group and any other local counsel in each other appropriate jurisdiction, (ii) Houlihan Lokey Capital Inc., as investment banker to the Ad Hoc Group, (iii) AlixPartners, LLP, as financial advisors to the Ad Hoc Group, and (iv) Davis Polk & Wardwell, LLP, as counsel to Mizuho Bank, Ltd., in all capacities other than Prepetition Agent, and one or more Prepetition Senior Lenders, and any other local counsel in each other appropriate jurisdiction, (v) Baker McKenzie LLP and Young Conaway Stargatt & Taylor LLP, each as counsel to the Prepetition Agents and any other local counsel in each other appropriate jurisdiction. Professionals for the Prepetition Secured Parties shall not be required to file applications or motions with, or obtain approval of, this Court for compensation and reimbursement of fees and expenses; *provided, however*, that any time such professionals seek the payment of fees and expenses from the Debtors, each professional shall provide reasonably detailed summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to counsel to the Debtors, the U.S. Trustee, and counsel to any Committee (collectively, the “Fee Notice Parties”); *provided, further*, that the Fee Notice Parties reserve their rights to request additional detail regarding the services rendered and expenses incurred by such professionals, subject to redaction for privilege. If no objection to payment of the requested Adequate Protection Fees and expenses is made, in writing, by any of the Fee Notice Parties within ten (10) calendar days after delivery of such invoices (the “Fee Objection Period”), then such invoice shall be promptly paid, without further order of, or application to, this Court or notice to any other party, and, in any case, within

ten (10) calendar days following the expiration of the Fee Objection Period and shall not be subject to any further review, challenge, or disgorgement. For the avoidance of doubt, the provisions of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If, within the Fee Objection Period, a Fee Notice Party sends to the affected professional a written objection to such invoice, then only the disputed portion of such Adequate Protection Fees shall not be paid as set forth above until the objection is resolved by the applicable parties in good faith or, if no resolution can be achieved after good faith discussions, by order of this Court, and any undisputed portion shall be paid as soon as reasonably practicable and, in any case, within ten (10) calendar days following the expiration of the Fee Objection Period and shall not be subject to any further review, challenge, or disgorgement. Subject to the terms hereof, the Debtors are authorized, without further notice or hearing, to pay all reasonable and documented fees, costs, and out-of-pocket expenses of the Prepetition Secured Parties to the extent set forth in and payable under the DIP Documents, or this Interim Order. Any and all fees, costs and expenses paid prior to the Petition Date by any of the Debtors (i) to the DIP Agents or the other DIP Secured Parties (or any of their respective professionals) or (ii) to the Prepetition Secured Parties (or any of their respective professionals), are hereby approved in full and shall not be subject to recharacterization, avoidance, subordination, disgorgement or any similar form of recovery by the Debtors or any other person. The DIP Fees and Expenses and the Adequate Protection Fees and Expenses incurred prior to, and which are unpaid as of, the Closing Date (as defined in the applicable DIP Documents) shall be paid indefeasibly by the Debtors upon the occurrence of the Closing Date without the applicable parties being required to deliver an invoice to the Fee Notice Parties for the Fee Objection Period as set forth in this paragraph 14.

15. Perfection of DIP Liens and Adequate Protection Liens.

(a) The DIP Agents and the Prepetition Agents are hereby authorized, but not required, without any action by any other person, to file or record (and to execute in the name of the Debtors, as their true and lawful attorneys, with full power of substitution, to the maximum extent permitted by law) security agreements, pledge agreements, financing statements, intellectual property filings, deeds of trust, mortgages, depository account control agreements, notices of lien, or similar instruments in any jurisdiction, or take possession of or control over cash or securities, equity certificates or promissory notes, or take any other action in order to validate and perfect the DIP Liens and the Adequate Protection Liens. Whether or not the DIP Agents or the Prepetition Agents shall, in their discretion or at the direction of the Required DIP Lenders or requisite Prepetition Secured Parties, choose to file such security agreements, pledge agreements, financing statements, intellectual property filings, deeds of trust, mortgages, depository account control agreements, notices of lien, or similar instruments or documents, or take possession of or control over cash or securities, equity certificates or promissory notes, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such DIP Liens and Adequate Protection Liens shall be deemed valid, automatically perfected, allowed, enforceable, non-avoidable and effective by operation of law, and not subject to challenge, dispute, or subordination (subject to the priorities set forth in this Interim Order, including the Lien/Claim Priorities Exhibit), at the time and on the date of this Interim Order, in any jurisdiction (domestic and foreign), without the need of any further action of any kind. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, automatic perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any security agreements, pledge agreements, financing statement,

intellectual property filing, deed of trust, mortgage, depository account control agreement, notice of lien, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action to create, attach, validate or perfect the DIP Liens and the Adequate Protection Liens or to entitle the DIP Liens and the Adequate Protection Liens to the priorities granted herein. Upon the request of a DIP Agent or a Prepetition Agent, as applicable, each of the Prepetition Secured Parties and the Debtors, without any further consent of any party, is authorized to take, execute, deliver, and file such instruments (in the case of the Prepetition Secured Parties, without representation or warranty of any kind) to enable a DIP Agent or a Prepetition Agent, as applicable, to further validate, perfect, preserve, and enforce the DIP Liens and the applicable Adequate Protection Liens, respectively, at the Debtors' cost and expense. All such documents will be deemed to have been recorded and filed as of the Petition Date.

(b) A copy of this Interim Order may, in the discretion of the DIP Agents or a Prepetition Agent or at the direction of the applicable Required DIP Lenders or the requisite Prepetition Secured Parties, as applicable, be filed with or recorded in filing or recording offices in addition to, or in lieu of, such security agreements, pledge agreements, financing statements, intellectual property filings, mortgages, depository account control agreement, deeds of trust, notices of lien, or similar instruments, and all filing offices in all jurisdictions (domestic and foreign) are hereby authorized to accept such certified copy of this Interim Order for filing and/or recording, as applicable. The automatic stay of Bankruptcy Code section 362(a) shall be modified to the extent necessary to permit the DIP Agents or the Prepetition Senior Loan Agent to take all actions, as applicable, in this subparagraph (b) and the immediately preceding subparagraph (a).

(c) [Any proceeds of the Junior DIP Facility not used pursuant to the DIP Budget shall be deposited into the DIP Escrow Account maintained by the DIP Escrow Agent

under the sole dominion and control of the Junior DIP Agent and will be subject to the DIP Liens and Adequate Protection Liens; *provided that*, the DIP Liens of the Senior DIP Secured Parties shall be subordinated to the liens of the Junior DIP Secured Parties solely to the extent such escrowed funds constitute Tranche B Loans. Funds in the DIP Escrow Account shall be disbursed to the Debtors in accordance with the terms and conditions set forth in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and other DIP Documents. From the Petition Date until the DIP Obligations have been paid in full in cash, all proceeds of the DIP Facilities, cash receipts, Cash Collateral, and all proceeds from the sale or disposition of, or other revenue of any kind attributable to, any DIP Collateral that is now in, or shall hereafter come into, the possession or control of any of the Debtors, or to which any of the Debtors is now or shall hereafter become entitled shall be subject to the DIP Liens and Adequate Protection Liens (and shall be treated in accordance with the DIP Documents and this Interim Order, including the Lien/Claim Priorities Exhibit). The DIP Agents shall be deemed to have “control” over all cash management accounts (including the DIP Escrow Account) for all purposes of perfection under the Uniform Commercial Code pursuant to this Interim Order, and if required by the DIP Agents (at the direction of the Required DIP Lenders). Subject to the provisions of this Interim Order and the DIP Documents, all financial institutions with which the Debtors maintain accounts containing Cash Collateral are authorized to comply with any request of the DIP Agents to turn over to the DIP Agents all Cash Collateral therein without offset or deduction of any kind after the occurrence and during the continuance of any Event of Default (as defined in the Senior DIP Term Sheet, the Senior DIP Credit Agreement and Junior DIP Term Sheet, as applicable), but subject to the terms of paragraph 18 of this Interim Order.]

(d) Subject to entry of the Final Order, and to the extent provided therein, any provision of any lease or other license, contract, or other agreement that requires (i) the consent or approval of one or more landlords or other parties or (ii) the payment of any fees or obligations in order for any Debtor to pledge, grant, sell, assign, or otherwise transfer any the Debtors' interests in any lease, license, or other agreement, or the proceeds thereof, or other collateral related thereto, in connection with the granting of the DIP Liens and the Adequate Protection Liens, is hereby deemed to be inconsistent with the applicable provisions of the Bankruptcy Code. Thereupon, any such provision shall have no force and effect with respect to the granting of the DIP Liens and the Adequate Protection Liens on the Debtors' interests in any lease, license, or other agreement, or the proceeds of any assignment and/or sale thereof by any Debtor in accordance with the terms of the DIP Term Sheet, the other DIP Documents, or this Interim Order.

(e) The Debtors are further authorized, but not directed, to seek recognition of this Interim Order in any appropriate proceeding in a foreign jurisdiction.

(f) Each of the Senior DIP Secured Parties and the Junior DIP Secured Parties hereby agrees to appoint GLAS USA LLC to act as a single collateral agent under the DIP Documents for the purposes of acquiring, holding, enforcing and perfecting the liens on the DIP Collateral securing both of the Senior DIP Obligations and the Junior DIP Obligations in all applicable jurisdictions outside of the United States, in each case, subject to the terms and priorities set forth herein, including the relative priorities set forth on the Lien/Claim Priorities Exhibit.

16. Section 507(b) Reservation. Nothing herein shall impair or modify the application of Bankruptcy Code section 507(b) in the event that the adequate protection provided to the Prepetition Senior Loan Secured Parties is insufficient to compensate for any Diminution in Value of their interests in the Prepetition Collateral during the Chapter 11 Cases. Nothing contained

herein shall be deemed a finding by the Court, or an acknowledgment by any of the Prepetition Senior Loan Secured Parties, that the adequate protection granted herein does in fact adequately protect against any Diminution in Value of the Prepetition Secured Parties' respective interests in the Prepetition Collateral (including the Cash Collateral).

17. DIP Termination Event. Subject to any applicable notice and cure periods and other terms set forth in paragraph 18 hereof, if the DIP Obligations have not been indefeasibly paid in full in cash or satisfied, including in connection with any Sale (as defined below), then the DIP Obligations shall accelerate and become due and payable in full, and the DIP Commitments and the Debtors' use of Cash Collateral will terminate, in each case, without further notice or action by the Court, following the earliest to occur of any of the following (each a "DIP Termination Event"): (i) the occurrence and continuation of any Event of Default (as defined and set forth in the Senior DIP Term Sheet, the Senior DIP Credit Agreement or the Junior DIP Term Sheet, as applicable), which Events of Default are explicitly incorporated by reference into this Interim Order; (ii) the Debtors' failure to comply with any material provision of this Interim Order; (iii) the Debtors' breach or failure to comply with any of the Milestones (as defined in the Senior DIP Term Sheet, the Senior DIP Credit Agreement and Junior DIP Term Sheet) unless waived or extended by the Required DIP Lenders in accordance with the applicable DIP Document; (iv) dismissal or conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (v) the appointment of a trustee or examiner; and (vi) the entry of an order authorizing the use of Cash Collateral of the DIP Lenders or financing under Bankruptcy Code section 364 other than pursuant to this Interim Order or the filing by the Debtors of a motion seeking such authority.

18. Remedies Upon a DIP Termination Event.

(a) The Debtors shall immediately provide notice to counsel to the DIP Agents, the DIP Lenders, counsel to the Committee, if any, and counsel to the Ad Hoc Group of the occurrence of any DIP Termination Event. Upon the occurrence of a DIP Termination Event (regardless of whether the Debtors have given the notice described in the previous sentence), (i) at the direction of the applicable Required DIP Lenders, the commitment of each applicable DIP Lender to make the applicable New Money DIP Loans will be terminated to the extent any such commitment remains under the applicable DIP Facility subject to the Carve Out and any “deemed draw” thereunder; (ii) at the direction of the applicable Required DIP Lenders under either facility, all DIP Obligations under such facility shall become due and payable, in full, and, following the giving of five (5) business days’ (the “Notice Period”) written notice (the “Termination Notice”), which may be by email, by the applicable DIP Agent (at the direction of the applicable Required DIP Lenders) to the Debtors and their counsel, the DIP Lenders, the U.S. Trustee, and counsel to any Committee, (iii) at the direction of the applicable Required DIP Lenders under either facility, the Debtors’ authority to use Cash Collateral shall immediately terminate, subject only to the Carve Out and except that the Debtors may use Cash Collateral to make payroll of the Debtors and fund critical expenses of the Debtors necessary to preserve the Prepetition Collateral, in each case in accordance with the terms of the DIP Budget, and subject to the Carve Out and any “deemed draw” thereunder, (iv) after expiration of the Notice Period, the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders, (or, upon the earlier of (A) repayment of the outstanding Obligations, as defined in the Senior DIP Credit Agreement (any such Obligations, “Senior DIP Obligations”) in full in cash, and (B) 90 days following the delivery of the Termination Notice if the Senior DIP Agent has not initiated any enforcement action, the Junior DIP Agent, acting at the

direction of the Required Junior DIP Lenders), may exercise any rights and remedies against the DIP Collateral available to it under this Interim Order, the DIP Documents, and applicable non-bankruptcy law (subject to the terms of this paragraph 18 of this Interim Order), and (v) after expiration of the Notice Period, if the DIP Obligations have been indefeasibly paid in full in cash, the Prepetition Secured Parties may seek to exercise any rights and remedies in accordance with the Prepetition Secured Facilities Documents and applicable non-bankruptcy law and this Interim Order to satisfy the Prepetition Secured Obligations, the Adequate Protection Claims, and any other Adequate Protection Obligations, subject to the DIP Obligations, the DIP Superpriority Claims and, in each case, subject and subordinate in all respects to the Carve Out. The Debtors, the DIP Secured Parties, and the Prepetition Secured Parties agree not to oppose a request by any party for an expedited hearing filed during the Notice Period. Absent Court order prior to the expiration of the Notice Period to the contrary, the automatic stay pursuant to section 362 of the Bankruptcy Code shall be automatically terminated as to the DIP Secured Parties and Prepetition Secured Parties at the end of the Notice Period without further notice or order; *provided* that if a request for such hearing is made prior to the end of the Notice Period, then the Notice Period shall be continued until the Court hears and rules with respect thereto.

(b) So long as there are any DIP Obligations outstanding or the DIP Lenders have any outstanding New Money Commitments, the Prepetition Secured Parties shall have no right to and shall take no action to foreclose upon, or recover in connection with, the liens granted thereto pursuant to the Prepetition Secured Facilities Documents or this Interim Order or otherwise seek to exercise or enforce any rights or remedies against the DIP Collateral (including without limitation, in connection with the Adequate Protection Liens or settling any insurance policy with

respect thereto) or take any action to frustrate the lawful exercise of remedies by the DIP Secured Parties with respect to the DIP Obligations.

(c) Except as set forth herein, to the extent any Prepetition Secured Party has possession of, or control over, any Prepetition Collateral or DIP Collateral, or has been listed as a secured party on any certificate of title for a titled good constituting Prepetition Collateral or DIP Collateral, such Prepetition Secured Party shall be deemed to have such possession or be so listed or have such possession or control as a gratuitous bailee and/or gratuitous agent for the benefit of the DIP Secured Parties (subject to the terms set forth in this Interim Order, the DIP Documents, and the Intercreditor Agreements), and such Prepetition Secured Party shall comply with the instructions of the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders or, if the Senior DIP Obligations have been indefeasibly repaid in full in cash, the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders, with respect to any of the foregoing. Each applicable DIP Agent is hereby authorized to take any of the actions described in this paragraph (c) on behalf of the Prepetition Secured Parties and/or the Junior DIP Secured Parties (as applicable), and such authorization is coupled with an interest and is irrevocable.

(d) Except as set forth herein, to the extent any Junior DIP Secured Party has possession of, or control over, any DIP Collateral, or has been listed as a secured party on any certificate of title for a titled good constituting DIP Collateral, such Junior DIP Secured Party shall be deemed to have such possession or be so listed or have such possession or control as a gratuitous bailee and/or gratuitous agent for the benefit of the Senior DIP Secured Parties (subject to the terms set forth in this Interim Order and the DIP Documents), and such Junior DIP Secured Party shall comply with the instructions of the Senior DIP Agent, acting at the direction of the Required

Senior DIP Lenders, with respect to any of the foregoing, unless and until the Senior DIP Obligations have been indefeasibly repaid in full in cash.

(e) Except as set forth herein, including paragraph 15(c) with respect to the DIP Escrow Account, unless and until the Senior DIP Obligations have been indefeasibly repaid in full in cash, any payments or distributions in respect of any Obligations under the Junior DIP Term Sheet (the “Junior DIP Obligations”) or any proceeds of DIP Collateral received by any Junior DIP Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the DIP Collateral or otherwise, shall be segregated and held in trust for the benefit of, and forthwith paid over to, the Senior DIP Agent for the benefit of the Senior DIP Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Senior DIP Agent is hereby authorized to make any such endorsements as agent for the Junior DIP Agent. This authorization is coupled with an interest and is irrevocable.

(f) Except as set forth herein, and other than adequate protection payments expressly permitted hereunder, any payments or distributions in respect of any Prepetition Senior Loan Obligations or any proceeds of Prepetition Collateral received by any Prepetition Secured Party, whether in connection with the exercise of any right or remedy (including setoff) relating to the Prepetition Collateral or otherwise, shall be segregated and held in trust for the benefit of, and forthwith paid over to, the Senior DIP Agent for the benefit of the Senior DIP Secured Parties or, if the Senior DIP Facility has been indefeasibly repaid in full in cash, the Junior DIP Agent for the benefit of the Junior DIP Secured Parties in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The applicable DIP

Agent is hereby authorized to make any such endorsements as agent for the applicable Prepetition Secured Parties. This authorization is coupled with an interest and is irrevocable.

(g) To the extent that any Prepetition Secured Parties are party to control agreements, or otherwise have control (as defined in the applicable Uniform Commercial Code or other applicable U.S. or foreign law), over bank accounts that constitute DIP Collateral, (i) such control agreements or control are deemed to apply to each of the DIP Facilities and (ii) the Senior DIP Agent, acting at the direction of the Required Senior DIP Lenders or, if the Senior DIP Facility has been indefeasibly repaid in full in cash, the Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders, upon the occurrence and during the continuance of an Event of Default (as defined in the Junior Credit Agreement) is authorized to issue cash sweep instructions under such control agreements or the controlling Prepetition Secured Party).

19. Joint and Several. The Debtors are jointly and severally liable for the DIP Obligations, the Adequate Protection Obligations, and all other obligations hereunder.

20. No Waiver for Failure to Seek Relief. The failure or delay of the Debtors, the DIP Agents, the DIP Lenders, or any of the Prepetition Secured Parties to exercise rights and remedies under this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, the Prepetition Secured Facilities Documents, or applicable law, as the case may be, shall not constitute a waiver of their respective rights hereunder, thereunder, or otherwise.

21. Preservation of Rights Granted Under this Interim Order.

(a) Subject and subordinate in all cases to the Carve Out, and other than as set forth in this Interim Order, including the Lien/Claim Priorities Exhibit, neither the DIP Liens nor the Adequate Protection Liens shall be made subject or subordinate to, or *pari passu* with, any lien

or security interest granted in any of the Chapter 11 Cases or arising after the Petition Date, and neither the DIP Liens nor the Adequate Protection Liens shall be subject or subordinate to any lien or security interest that is avoided and preserved for the benefit of the Debtors' estates under Bankruptcy Code section 551.

(b) In the event that this Interim Order or any provision hereof is reversed or modified on appeal, the validity and priority of any liens or claims granted to the Prepetition Senior Loan Secured Parties hereunder arising prior to the effective date of any such reversal or modification of this Interim Order shall be governed in all respects by the original provisions of this Interim Order, including entitlement to all rights, remedies, privileges, and benefits granted herein, and the Prepetition Senior Loan Secured Parties shall be entitled to the protections afforded in Bankruptcy Code section 364(e).

(c) Subject and subordinate to the Carve Out, unless and until all DIP Obligations, Prepetition Secured Obligations, and Adequate Protection Obligations are indefeasibly paid in full, in cash, or all commitments under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents are otherwise terminated in accordance with the terms thereof, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (i) except as permitted under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet or the other DIP Documents, or with the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders) (x) any modification, stay, vacatur, or amendment of this Interim Order (including the Lien/Claim Priorities Exhibit), (y) a priority claim for any administrative expense, secured claim, or unsecured claim against any of the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation, any administrative expense of the

kind specified in Bankruptcy Code sections 503(b), 507(a), or 507(b)) in any of the Chapter 11 Cases, equal or superior to the DIP Superpriority Claims, the Adequate Protection Claims, and the Prepetition Secured Obligations (or the liens and security interests secured such claims and obligations), or (z) any other order allowing use of the DIP Collateral except if in compliance with this Interim Order and the DIP Budget; (ii) except as permitted under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet the other DIP Documents, this Interim Order (including the Lien/Claim Priorities Exhibit), or with the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders), any lien on any of the DIP Collateral or the Prepetition Collateral with priority equal or superior to the DIP Liens, the Adequate Protection Liens, or the Prepetition Liens, as the case may be; (iii) the use of Cash Collateral for any purpose other than as permitted in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, and this Interim Order (including in compliance with the Budget or other orders of the Court to which the DIP Agents (acting at the direction of the Required DIP Lenders) have approved; (iv) an order converting any of the Chapter 11 Cases or dismissing any of the Chapter 11 Cases; (v) an order appointing a chapter 11 trustee in any of the Chapter 11 Cases; or (vi) an order appointing an examiner with expanded powers in any of the Chapter 11 Cases. Until and unless the DIP Obligations have been paid in full in cash and all commitments to extend credit under the DIP Facility have been terminated, each Debtor irrevocably waives any right to seek any amendment, modification, or extension of this Interim Order without the prior written consent of the DIP Agents (acting at the direction of the Required DIP Lenders in their sole discretion), and no such consent shall be implied by any action, inaction, or acquiescence of the applicable DIP Agent or the DIP Lenders.

(d) Notwithstanding any order dismissing any of the Chapter 11 Cases under Bankruptcy Code section 1112 or otherwise entered at any time: (x) the Carve Out, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and the other administrative claims granted pursuant to this Interim Order shall continue in full force and effect, and shall maintain their relative priorities as provided in this Interim Order, including the Lien/Claim Priorities Exhibit, until all DIP Obligations and Adequate Protection Obligations are indefeasibly paid in full, in cash (and such DIP Liens, DIP Superpriority Claims, Adequate Protection Liens, Adequate Protection Claims, and other administrative claims granted pursuant to this Interim Order shall, notwithstanding such dismissal, remain binding on all parties in interest); (y) the other rights granted by this Interim Order shall not be affected; and (z) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing the claims, liens, and security interests referred to in this paragraph 21 and otherwise in this Interim Order.

(e) Except as expressly provided in this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, or in the other DIP Documents, the Carve Out, the DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, the Adequate Protection Claims, and all other rights and remedies of the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Interim Order and the DIP Documents shall survive, shall maintain their priority as provided in this Interim Order, including the Lien/Claim Priorities Exhibit, and shall not be modified, impaired, or discharged by: (i) the entry of an order converting any of the Chapter 11 Cases to a case under chapter 7, dismissing any of the Chapter 11 Cases, terminating the joint administration of the Chapter 11 Cases or by any other act or omission; (ii) the entry of an order approving the sale of any DIP Collateral pursuant to Bankruptcy Code section 363(b) (except to the extent permitted by

the DIP Documents); or (iii) the entry of an order confirming a plan in any of the Chapter 11 Cases and, pursuant to Bankruptcy Code section 1141(d)(4), the Debtors have waived any discharge as to any remaining DIP Obligations or Adequate Protection Obligations. The terms and provisions of this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, and the other DIP Documents shall continue in the Chapter 11 Cases (including in any successor cases under any chapter of the Bankruptcy Code) if the Chapter 11 Cases cease to be jointly administered or in any superseding chapter 7 cases under the Bankruptcy Code. The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate Protection Claims, and all other rights and remedies of the DIP Agent, DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Interim Order, shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the DIP Agent (acting at the direction of the Required DIP Lenders)). Notwithstanding anything to the contrary in this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, or the other DIP Documents, nothing in this Interim Order, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, or the other DIP Documents shall affect any right of the DIP Lender to object to any sale of the Debtors' assets or any chapter 11 plan that does not pay the DIP Obligations and DIP Superpriority Claims in full, and all such rights are expressly preserved.

22. Good Faith Under Bankruptcy Code Section 364(e); No Modification or Stay of this Interim Order. The DIP Agents, the DIP Lenders, and certain of the Prepetition Senior Loan Secured Parties have acted in good faith in connection with this Interim Order and are entitled to rely upon the protections granted herein and by Bankruptcy Code section 364(e). Based upon the

findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with Bankruptcy Code section 364(e), in the event any or all of the provisions of this Interim Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court, the DIP Agents, the DIP Lenders, and the Prepetition Senior Loan Secured Parties are entitled to the protections provided in Bankruptcy Code section 364(e). Any such modification, amendment, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim, or priority authorized or created hereby.

23. Expenses and Indemnification of DIP Agents and DIP Lenders.

(a) The Debtors are authorized and directed to pay, without further Court order, the reasonable and documented fees and expenses, whether incurred before or after the Petition Date, by professionals or consultants retained by the DIP Agents and the DIP Lenders (as specifically set forth in the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet or herein), including, for the avoidance of doubt, the fees and expenses of (i) counsel to the DIP Agent, Mayer Brown LLP, and one local counsel in each other appropriate jurisdiction, (ii) counsel to the DIP Lender of Tranche A Loans, Willkie Farr & Gallagher LLP, and one local counsel in each other appropriate jurisdiction, (iii) counsel to the Backstop Parties, Akin Gump Strauss Hauer & Feld, LLP, and one local counsel in each other appropriate jurisdiction, (iv) the investment bankers to the Backstop Parties, Houlihan Lokey Capital, Inc., and (v) the financial advisors to the Backstop Parties, AlixPartners, LLP (collectively, the “DIP Professionals”), incurred in connection with the Chapter 11 Cases (in any capacity) and the DIP Facility, including the reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements, and other charges of DIP Professionals) of the DIP Agents and the

DIP Lenders, for enforcement costs and documentary taxes associated with the DIP Facilities and the transactions contemplated thereby (collectively, the “DIP Professional Fees”). The DIP Professionals shall not be required to file motions or applications with respect to the DIP Professional Fees, *provided, however*, that any time the DIP Professionals seek payment of fees and expenses from the Debtors, each DIP Professional shall provide reasonably detailed summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney client privilege or of any benefits of the attorney work product doctrine) to the Fee Notice Parties; *provided, further*, that Fee Notice Parties reserve their rights to request additional detail regarding the services rendered and expenses incurred by such professionals, subject to redaction for privilege. If no objection to payment of the requested DIP Professional Fees and expenses is made, in writing, by any of the Fee Notice Parties within the Fee Objection Period, then such invoice shall be paid as soon as reasonably practicable, without further order of, or application to, the Court or notice to any other party, and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period, and shall not be subject to any further review, challenge, or disgorgement. For the avoidance of doubt, the provisions of such invoices shall not constitute a waiver of attorney-client privilege or any benefits of the attorney work product doctrine. If, within the Fee Objection Period, a Fee Notice Party sends to the affected professional a written objection to such invoice, then only the disputed portion of such DIP Professional Fees shall not be paid until the objection is resolved by the applicable parties in good faith or, if no resolution is achieved after good faith discussions, by order of the Court, and any

undisputed portion shall be paid as soon as reasonably practicable and, in any case, within seven (7) calendar days following the expiration of the Fee Objection Period. Notwithstanding the foregoing, on or about the date of entry of this Interim Order and funding of the Tranche A Loans, the Debtors shall pay fees and expenses of the DIP Professionals incurred prior to such date, without the need to first deliver a copy of an invoice as provided for herein.

(b) As set forth in the DIP Documents, the Debtors will jointly and severally indemnify the DIP Lenders and the DIP Agents, and their respective investment advisors, affiliates, related funds/accounts, successors and assigns, and the officers, directors, employees, agents, advisors, counsel, controlling persons, and members of each of the foregoing (each an “Indemnified Person”), and hold them harmless from and against any and all losses, claims, damages, costs, expenses (including but not limited to reasonable and documented legal fees and expenses), and liabilities arising out of or relating to the execution or delivery of the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents, transactions contemplated hereby and thereby, and any actual or proposed use of the proceeds of any loans made under the DIP Facilities in accordance with the terms of the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet; *provided*, that no Indemnified Person will be indemnified for costs, expenses, or liabilities to the extent determined by a final, non-appealable judgment of a court of competent jurisdiction to have been incurred solely by reason of gross negligence or willful misconduct of such Indemnified Person. No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort, or otherwise) to the Debtors or any shareholders or creditors of the Debtors for, or in connection with, the transactions contemplated hereby, except to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such

Indemnified Person's gross negligence or willful misconduct. Notwithstanding anything to the contrary in this Interim Order or any other order of the Court, (i) any indemnities and other obligations which by the express terms of the relevant Senior DIP Documents shall survive the repayment of the Senior DIP Loans (the "Contingent Senior DIP Obligations"), shall survive the Effective Date, not be discharged or released pursuant to the plan or order of this Court confirming the plan, and continue to be secured by all liens and security interests granted to secure the Senior DIP Obligations and (ii) the Senior DIP Documents shall continue in full force and effect after the Effective Date with respect to any obligations thereunder governing the Contingent Senior DIP Obligations.

24. Limitation on Use of DIP Facility Proceeds, DIP Collateral, and Cash Collateral. Subject to paragraph 25 hereof, none of the DIP Facilities, the DIP Collateral, the Prepetition Collateral, or the proceeds thereof, including Cash Collateral, or the Carve Out may be used: (i) to investigate, initiate, prosecute, join, or finance the initiation or prosecution of any claim, counterclaim, action, suit, arbitration, proceeding, application, motion, objection, defense, or other litigation of any type (a) against any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such) under the DIP Documents, this Interim Order, or the Prepetition Secured Facilities Documents, including, without limitation, for the payment of any services rendered by the professionals retained by the Debtors or the Committee (if appointed) in connection with the assertion of or joinder in any claim, counterclaim, action, proceeding, application, motion, objection, defense, or other contested matter, the purpose of which is to seek, or the result of which would be to obtain, any order, judgment, determination, declaration, or similar relief that would impair the ability of any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties to recover on the DIP Collateral or the Prepetition Collateral, or

seeking affirmative relief against any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties related to the DIP Obligations or the Prepetition Secured Obligations, (b) seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Obligations, the DIP Superpriority Claims, or the DIP Agents' and the DIP Lenders' liens or security interests in the DIP Collateral or the Prepetition Secured Obligations or the Prepetition Liens in the Prepetition Collateral, or (c) for monetary, injunctive, or other affirmative relief against the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties (each in their capacities as such), or their respective liens on, or security interests in, the DIP Collateral or the Prepetition Collateral, or the DIP Superpriority Claims, that would impair the ability of any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties to assert or enforce any lien, claim, right, or security interest, or to realize or recover on the DIP Obligations or the Prepetition Secured Obligations to the extent permitted or provided hereunder; (ii) for objecting to or challenging in any way the legality, validity, extent, priority, perfection, or enforceability of the claims, liens, or interests (including the Prepetition Liens) held by or on behalf of each of the Prepetition Secured Parties related to the Prepetition Secured Obligations or by or on behalf of the DIP Agents and the DIP Lenders related to the DIP Obligations; (iii) for asserting, commencing, or prosecuting any claims or causes of action whatsoever, including, without limitation, any avoidance actions related to the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the Prepetition Secured Obligations, or the Prepetition Liens; and (iv) for prosecuting an objection to, contesting in any manner or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of: (x) any of the DIP Liens, the DIP Superpriority Claims, or any other rights or interests of the DIP Agents or the DIP Lenders related to the DIP Obligations or the DIP Liens or (y) any of the Prepetition Liens or any other rights or interests of any of the Prepetition Secured Parties related to the Prepetition

Secured Obligations; *provided*, that up to \$100,000 of aggregate proceeds of the DIP Facility, the DIP Collateral, or the Prepetition Collateral, including the Cash Collateral, may be used by the Committee (if any) to investigate the foregoing matters within the Challenge Period (as defined below, and such proceeds, the “Investigation Budget”).

25. Effect of Stipulations on Third Parties.

(a) The stipulations, admissions, waivers, and releases contained in paragraph F hereof shall be binding upon the Debtors (including their representatives) and any successor or assigns thereto upon entry of this Interim Order. The stipulations, admissions, waivers, and releases contained in this Interim Order shall also be binding upon all other parties in interest, including any statutory or non-statutory committees appointed or formed in the Chapter 11 Cases, including the Committee (if appointed), or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a “Trustee”), unless (i) such party with requisite standing granted by an order of this Court, has duly filed a proceeding challenging the validity, perfection, priority, extent, or enforceability of the Prepetition Liens, or the Prepetition Secured Obligations, or otherwise asserting or prosecuting any Avoidance Actions or any other claims, counterclaims, or causes of action, objections, contests, or defenses (each such proceeding or contested matter, a “Challenge”) against the Prepetition Secured Parties or any such parties’ affiliates or representatives in connection with any matter related to the Prepetition Secured Facilities Documents, the Prepetition Collateral, the Prepetition Liens, or the Prepetition Secured Obligations by no later than the date that is seventy-five (75) days from entry of the Interim Order, subject to further extension (a) by written agreement (which writing may be in the form of e-mail by counsel) of the Debtors and the Prepetition Senior Loan Agent (at the direction of the Prepetition Senior Lenders pursuant to the Prepetition Senior Loan Documents) each in their sole

discretion, or (b) by this Court for good cause shown pursuant to an application filed and served by a party in interest prior to the expiration of the Challenge Period, the “Challenge Period”); *provided*, in the event that, prior to the expiration of the Challenge Period, (x) the Chapter 11 Cases are converted to cases under chapter 7 of the Bankruptcy Code or (y) a chapter 11 trustee is appointed in the Chapter 11 Cases, then in each such case, the Challenge Period shall be extended for a period of thirty (30) calendar days solely with respect to any Trustee, commencing on the occurrence of either of the events described in the foregoing clauses (x) and (y); and (ii) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such Challenge or claim in any such duly filed adversary proceeding. If no such adversary proceeding is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition Secured Obligations shall constitute allowed claims, not subject to any Challenge (whether characterized as a counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement, attachment, “claim” (as defined by Bankruptcy Code section 101(5)), impairment, subordination (whether equitable, contractual or otherwise), or other challenge of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in the Chapter 11 Cases and any subsequent chapter 7 cases, if any; (y) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, and of the priority specified in paragraph F hereof, not subject to setoff, subordination, defense, avoidance, impairment, disallowance, recharacterization, reduction, recoupment, or recovery; and (z) the Prepetition Secured Obligations, the Prepetition Liens on the Prepetition Collateral, and the Prepetition Secured Parties (in their capacities as such) shall not be subject to any other or further challenge, and any party in interest shall be forever enjoined and

barred from seeking to exercise the rights of the Debtors' estates or taking any such action, including any successor thereto (including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any proceeding is timely filed by a party that has been granted standing as provided above prior to the expiration of the Challenge Period, (i) the stipulations and admissions contained in this Interim Order shall nonetheless remain binding and preclusive on all other parties in interest, including any Trustee, except with respect to any party that timely files a Challenge and solely as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding; *provided*, that the filing of a motion by any Committee or any other party in interest seeking standing with respect to a Challenge, attaching a draft of the complaint setting forth such Challenge, shall toll any such Committee's or party's Challenge Period in respect of such Challenge, solely as to any stipulations or admissions that are specifically and expressly challenged in such adversary proceeding, until the date that is one (1) business day after the entry of a final order of the Court (which order, on request of any party, will be issued within fourteen (14) days of the filing of such motion) ruling on such standing motion with respect to such Challenge; and (ii) any Challenge not brought in such adversary proceeding shall be forever barred; *provided*, that, if and to the extent any challenges to a particular stipulation or admission are withdrawn, denied, or overruled by a final non-appealable order, such stipulation shall also be binding on the Debtors' estates and all parties in interest. For the avoidance of doubt, none of the DIP Collateral (including any proceeds thereof) shall be used to fund any professional fees or expenses of any party in connection with any Challenge (other than such fees and expenses of the Committee Professionals which, subject to entry of the Final Order (to the extent provided therein), shall not exceed the Investigation Budget) whether pursuant to this Interim Order or otherwise.

(b) Nothing in this Interim Order vests or confers on any person (as defined in the Bankruptcy Code), including any Committee, standing or authority to pursue any claims or causes of action belonging to the Debtors or their estates, including, without limitation, any Challenge with respect to the Prepetition Secured Facilities Documents or the Prepetition Secured Obligations, and all rights to object to such standing are expressly reserved.

26. Release. Effective upon entry of this Interim Order, subject to the rights of parties in interest, other than the Debtors, pursuant to paragraphs 24 and 25 of this Interim Order, each of the Debtors and the Debtors' estates, on its own behalf and on behalf of its past, present, and future predecessors, successors, heirs, subsidiaries, and assigns, hereby absolutely, unconditionally, and irrevocably releases and forever discharges and acquits the DIP Agents, the DIP Lenders, the Prepetition Secured Parties and their respective affiliates, and each of their respective former or current officers, partners, directors, managers, owners, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, and the respective successors and assigns thereof, solely in their capacities as such (collectively, the "Released Parties"), from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, counterclaims, demands, defenses, offsets, debts, accounts, contracts, liabilities, actions, and causes of action arising prior to the Petition Date of any kind, nature, or description, whether matured or unmatured, known or unknown, asserted or unasserted, foreseen or unforeseen, accrued or unaccrued, suspected or unsuspected, liquidated or unliquidated, pending or threatened, arising in law or in equity, upon contract, tort, or under any state or federal law or otherwise, arising out of or related to the DIP Facility, the DIP Obligations, the DIP Liens, the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other

DIP Documents, the Prepetition Secured Facilities Documents, the obligations owing and the financial obligations made thereunder, the negotiation of any of the foregoing, in each case that the Debtors at any time had, now have, or may have, or that their successors or assigns hereafter can or may have, against any of the Released Parties for or by reason of any act, omission, matter, cause, or thing whatsoever arising at any time on or prior to the date of this Interim Order; *provided*, that nothing herein shall relieve the Released Parties from fulfilling their obligations under the Senior DIP Term Sheet, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, the other DIP Documents, and this Interim Order.

27. Turnover. Except as expressly permitted in this Interim Order, any “first” day order, or the DIP Documents, and except with respect to the DIP Loan Parties, in the event that any Prepetition Secured Party receives any payment on account of a security interest in the DIP Collateral, receives any DIP Collateral or any proceeds of the DIP Collateral or receives any other payment or distribution with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations and termination of all DIP Commitments, such person or entity shall be deemed to have received, and shall hold, any such DIP Collateral or any payment on account or proceeds thereof in trust for the benefit of the Senior DIP Secured Parties and, upon the indefeasible payment in full in cash of the Senior DIP Obligations, the Junior DIP Secured Parties and shall immediately turn over such collateral, proceeds, payment or distribution to the Senior DIP Agent or, upon the indefeasible payment in full in cash of the Senior DIP Obligations, the Junior DIP Agent, or as otherwise instructed by this Court, for application in accordance with the applicable DIP Documents and this Interim Order, in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct; *provided*, however, that this provision shall not apply to the DIP Loan proceeds on account of Tranche B

Loans deposited into the DIP Escrow Account and not yet disbursed to the Borrower. The applicable DIP Agent is hereby authorized to make any such endorsements as agent for such person or entity. This authorization is coupled with an interest and is irrevocable.

28. Priming Liens. The Prepetition Senior Loan Agent is authorized and directed to take all steps required to give full force and effect to the Priming Liens granted pursuant to the terms of this Interim Order including, but not limited to: (i) entering into and adhering to one or more intercreditor agreements (and any ancillary documents that are necessary or desirable in connection therewith) with the DIP Agents on terms sufficient to: (a) acknowledge or consent to, and otherwise give full force and effect in all jurisdictions (domestic and foreign) to, the priority of the Priming Liens provided for in this Interim Order over any other competing lien, security interest, or encumbrance of any kind or nature (including Prepetition Liens); and (b) implement the turnover provisions provided for in this Interim Order or any other DIP Documents; and (ii) facilitating in all respects the effective registration and priority of the DIP Liens in all relevant jurisdictions (including non-U.S. jurisdictions) on any and all DIP Collateral envisaged by and required under the Senior DIP Credit Agreement, the Junior DIP Term Sheet and the other DIP Documents (including this Interim Order).

29. Insurance. At all times the Debtors shall maintain casualty and loss insurance coverage for the Prepetition Collateral and the DIP Collateral on substantially the same basis as maintained prior to the Petition Date. Upon entry of this Interim Order, the DIP Agents are, and will be deemed to be, without any further action or notice, named as additional insureds and lender's loss payees on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral. To the extent that the Junior DIP Agent or a Prepetition Agent is listed as a loss payee under the insurance policies of any of the DIP Loan Parties, the Senior DIP Agent shall

also be deemed to be a loss payee under such insurance policies until the indefeasible payment in full of the Senior DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies in accordance with the terms of this Interim Order and the DIP Documents.

30. Loss or Damage to Collateral. The DIP Secured Parties and Prepetition Secured Parties shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral or Prepetition Collateral, as applicable, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person. All risk of loss, damage, or destruction of DIP Collateral or Prepetition Collateral shall be borne by the Debtors.

31. Credit Bidding. Upon entry of this Interim Order, subject to Bankruptcy Code section 363(k), the terms of the DIP Documents, and this Interim Order, including the Lien/Claim Priorities Exhibit, any DIP Agent, or any assignee or designee of the applicable DIP Agent, acting at the direction of the Required DIP Lenders and on behalf of the DIP Lenders, shall have the unqualified and unconditional right to credit bid up to the full amount of any DIP Obligations, including any accrued interest and expenses in connection with any sale or other disposition of all or any portion of the DIP Collateral, including, without limitation, sales occurring pursuant to (a) Bankruptcy Code section 363, (b) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (c) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725 (any of the foregoing sales or dispositions, a “Sale”), on a dollar-for-dollar basis; *provided*, that the right of the Junior DIP Agent, acting at the direction of

the Required Junior DIP Lenders and on behalf of the Junior DIP Lenders, to credit bid is conditioned upon such bid including the indefeasible repayment in cash of all Senior DIP Obligations, upon the satisfaction of which, neither the Senior DIP Agent nor any Senior DIP Lenders may object to the Junior DIP Agent and/or Junior DIP Lenders' credit bid based on the relative lien/claim priorities between the Senior DIP Obligations and the Junior DIP Obligations set forth in the Lien/Claim Priorities Exhibit; *provided, further*, that such relief will be binding on the Debtors' chapter 11 estates and all parties in interest upon entry of the Final Order. The DIP Agents and the Prepetition Agents each shall automatically be deemed a "qualified bidder" with respect to any disposition of assets by the Debtors in a Sale. The DIP Agents and the Prepetition Agents, as applicable, shall have the absolute right to assign, sell, or otherwise dispose of its respective right to credit bid in connection with any credit bid by or on behalf of the DIP Secured Parties or Prepetition Secured Parties, as applicable, to any acquisition entity or joint venture formed in connection with such bid.

32. No Requirement to Accept Title to Collateral. Except as may be otherwise agreed in writing, the DIP Agents, DIP Lenders and Prepetition Secured Parties shall not be obligated to accept title to any portion of the respective DIP Collateral or Prepetition Collateral in the payment of the indebtedness owed to such parties by the Debtors, in lieu of payment in cash or cash equivalents, nor shall any of the DIP Agents, DIP Lenders or Prepetition Secured Parties be obligated to accept payment in cash or cash equivalents that is encumbered by any interest of any person or entity other than the DIP Agent, DIP Lenders, or Prepetition Secured Parties.

33. Refinancing of Certain Prepetition Obligations.

The DIP Liens, the DIP Superpriority Claims, the Adequate Protection Liens, and the Adequate Protection Claims, and all other rights and remedies of the DIP Agent, DIP Lenders, and the Prepetition Secured Parties granted by the provisions of this Interim Order, shall continue in full force and effect until the DIP Obligations and the Adequate Protection Obligations are indefeasibly paid in full, in cash (or, with respect to the DIP Obligations, otherwise satisfied in a manner agreed to by the DIP Agent (acting at the direction of the Required DIP Lenders)). Notwithstanding anything to the contrary in this Interim Order, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, or the other DIP Documents, nothing in this Interim Order, the Senior DIP Credit Agreement, the Junior DIP Term Sheet, or the other DIP Documents shall affect any right of the DIP Lender to object to any sale of the Debtors' assets or any chapter 11 plan that does not pay the DIP Obligations and DIP Superpriority Claims in full, and all such rights are expressly preserved.

27. Turnover. Except as expressly permitted in this Interim Order, any "first" day order, or the DIP Documents, and except with respect to the DIP Loan Parties, in the event that any person or entity receives any payment on account of a security interest in the DIP Collateral, receives any DIP Collateral or any proceeds of the DIP Collateral or receives any other payment or distribution with respect thereto from any other source prior to indefeasible payment in full in cash of all DIP Obligations and termination of all DIP Commitments, such person or entity shall

The applicable DIP Agent is hereby authorized to make any such endorsements as agent for such person or entity. This authorization is coupled with an interest and is irrevocable.

29. Insurance. Upon entry of this Interim Order, the DIP Agents are, and will be deemed to be, without any further action or notice, named as additional insureds and lender's loss payees on each insurance policy maintained by the Debtors which in any way relates to the DIP Collateral. To the extent that the Junior DIP Agent or a Prepetition Agent is listed as a loss payee under the insurance policies of any of the DIP Loan Parties, the Senior DIP Agent shall also be deemed to be a loss payee under such insurance policies until the indefeasible payment in full of the Senior DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and shall act in that capacity and distribute any proceeds recovered or received in respect of such insurance policies in accordance with the terms of this Interim Order and the DIP Documents.

31. Credit Bidding. Upon entry of this Interim Order, subject to Bankruptcy Code section 363(k), the terms of the DIP Documents, and this Interim Order, including the Lien/Claim Priorities Exhibit, any DIP Agent, or any assignee or designee of the applicable DIP Agent, acting at the direction of the Required DIP Lenders and on behalf of the DIP Lenders, shall have the unqualified and unconditional right to credit bid up to the full amount of any DIP Obligations, including any accrued interest and expenses in connection with any sale or other disposition of all or any portion of the DIP Collateral, including, without limitation, sales occurring pursuant to (a) Bankruptcy Code section 363, (b) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (c) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725 (any of the foregoing sales or dispositions, a "Sale"), on a dollar-for-dollar basis; *provided, that* the right of Junior DIP Agent, acting at the direction of the Required Junior DIP Lenders and on behalf of the Junior DIP Lenders, to credit bid is conditioned upon such bid including the indefeasible repayment in cash of all Senior DIP Obligations, upon the satisfaction of which, neither the Senior DIP Agent nor any Senior DIP Lenders may object to the Junior DIP Agent and/or Junior DIP Lenders' credit bid based on the relative lien/claim priorities between the Senior DIP Obligations and the Junior DIP Obligations set forth in the Lien/Claim Priorities Exhibit; *provided, further*, that such relief will be binding on the Debtors' chapter 11 estates and all parties in interest upon entry of the Final Order. The DIP Agents and the Prepetition Agents each shall automatically be deemed a "qualified bidder" with respect to any disposition of assets by the Debtors in a Sale. The DIP Agents and the Prepetition Agents, as applicable, shall have the absolute right to assign, sell, or otherwise dispose of its respective right

Annex E

SECURITY PRINCIPLES

1 SECURITY PRINCIPLES

1.1 General

- (a) Save in respect of any share security granted in respect of the shares, equity or partnership interests (or in each case any equivalent under local law) in any member of the Group incorporated in Argentina, Brazil, Italy, Japan or the United States (each of which shall be granted and perfected in accordance with time set out in Annex C of the DIP Term Sheet and without reference to these Security Principles), the guarantees and DIP Liens to be provided pursuant to the DIP Documents will be given in accordance with these Security Principles and embody a recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and/or Liens from Holdings or members of the Group in every jurisdiction in which they are incorporated or resident.
- (b) Terms used in these Security Principles and not otherwise defined have the meanings given to them in (or incorporated by reference to) the DIP Term Sheet.

1.2 Considerations

- (a) In determining what DIP Liens and guarantees will be provided in support of the DIP Facility, the following matters will be taken into account:
 - (i) DIP Liens and guarantees shall not be required to be created, registered and/or perfected to the extent that they would:
 - (A) taking into account any limitation required by paragraph 1.6 (*DIP Obligations*) below, result in any breach of corporate benefit, financial assistance, fraudulent preference or thin capitalisation laws or regulations (or analogous restrictions) of any applicable jurisdiction;
 - (B) taking into account any limitation required by paragraph 1.6 (*DIP Obligations*) below, result in a significant risk to the officers of the relevant grantor of DIP Liens of contravention of their fiduciary duties and/or of civil or criminal liability;
 - (C) result in costs to the Group that are disproportionate to the benefit obtained by the beneficiaries of that DIP Liens (in each case, as determined by the DIP Agent on behalf of the DIP Lenders), having regard to the extent of the

obligations which can be secured by that DIP Liens and the priority that will be offered by taking or perfecting that DIP Liens;

- (D) require the consent of the holders of shares or equity interests in any member of the Group that is not wholly-owned directly or indirectly by Holdings or, as the case may be, partners in any joint venture; or
- (E) result in the breach or termination of any material contract or material joint venture arrangement (in each case as determined by the DIP Agent on behalf of the DIP Lenders) to which any member of the Group is party.

All relevant members of the Group will use reasonable endeavours to overcome any obstacle or limitation to creating or perfecting DIP Liens and granting guarantees of a type set out in paragraphs 1.2(a)(i)(D)(I) to (III) above.

- (ii) DIP Liens and guarantees shall only be given after taking into account:
 - (A) (in the case of DIP Liens) the extent to which such DIP Liens may be unduly burdensome on the relevant member of the Group or materially interfere unreasonably with the operation of its business;
 - (B) (in the case of DIP Liens) whether the assets the subject of such DIP Lien constitute Excluded Assets or Excluded Collateral;
 - (C) any material adverse taxation implications for the Group as a whole;
 - (D) whether or not perfection of any such guarantee or DIP Liens (to the extent required) is permissible under applicable law or regulation; and
 - (E) any assets subject to any arrangements with third parties (other than the Sponsor or its Affiliates or Related Funds) (which arrangements are permitted under the DIP Documents) which prevent those assets from being secured will be excluded from any DIP Liens and any collateral document *provided that* the relevant member of the Group will use reasonable endeavours to obtain consent to the creation of DIP Liens over any such asset and *provided further that* such arrangements with third parties were not entered into primarily so that such guarantee or DIP Liens would be exempted pursuant to this exception.
- (b) In these Security Principles, *cost* includes, but is not limited to, income tax cost, registration and like taxes or duties payable on the creation or enforcement or for the continuance of any DIP Liens, stamp duties, notarial costs, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of DIP Liens or any of its direct or indirect owners, subsidiaries or Affiliates.

1.3 Government approvals

To the extent that any DIP Liens over any equity interest in any member of the Group or any guarantee or DIP Liens to be provided by any member of the Group (or the perfection thereof) requires the grantor or any member of the Group to obtain or effect any authorisation from any governmental agency, the requirement to obtain or effect such authorisation will be subject to these Security Principles and the applicable grantor or member of the Group will use reasonable endeavours to obtain or effect such authorisation within 180 days after the execution of the relevant guarantee or the relevant collateral document (including, in each case, any joinder to any such guarantee or collateral document) conferring such DIP Liens (as the case may be). If such authorisation is not obtained or effected within such time, the obligations of the Group to obtain or effect, or to endeavour to obtain or effect, shall cease on the expiry of such 180 day period.

1.4 Perfection of DIP Liens

The perfection of DIP Liens, when required in accordance with these Security Principles, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time specified in Annex C of the DIP Term Sheet or (if earlier or to the extent no such time periods are specified in the DIP Documents) within the time periods specified by applicable law in order to ensure due perfection and priority.

1.5 DIP Obligations

- (a) Subject to paragraph (b), the collateral documents will secure all DIP Obligations under the DIP Documents in accordance with, and subject to, the requirements of these Security Principles in each relevant jurisdiction.
- (b) To the extent required under local law, the DIP Obligations will be limited:
 - (i) to avoid any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalisation rules or the laws or regulations (or analogous restrictions) of any applicable jurisdiction; and
 - (ii) to avoid any risk to officers of the relevant member of the Group that is granting DIP Liens of contravention of their fiduciary duties and/or civil or criminal or personal liability.
- (c) All relevant members of the Group will use reasonable endeavours to:
 - (i) assist in demonstrating adequate corporate benefit accrues to the relevant member of the Group and any Guarantor; and
 - (ii) overcome any such limitation and/or obstacle of a type set out in paragraph (b)(i) above to creating or perfecting any Lien or providing a guarantee, including undertaking any whitewash or equivalent procedure (to the extent reasonably practicable taking into account the relative cost and time required to complete such steps and the relative benefit of the security to the DIP Lenders and to the extent permitted by law).

1.6 Guarantees

Subject to any local law guarantee limitations set out in the DIP Documents, each guarantee will be an upstream, cross-stream and downstream guarantee for all DIP Obligations under the DIP Documents in accordance with, and subject to, the requirements of these Security Principles in each relevant jurisdiction.

2 COLLATERAL DOCUMENTS

2.1 General

- (a) The parties to the DIP Documents will negotiate the form of each collateral document in good faith in accordance with these Security Principles.
- (b) Where appropriate, defined terms in the collateral documents should mirror those in the [Junior] DIP Credit Agreement or the DIP Term Sheet, as applicable.

- (f) Unless granted under the US Security Agreement, all DIP Liens shall be governed by the laws of the jurisdiction in which the relevant asset to be made subject to such DIP Liens is located and, where such asset comprises a contract, shall be governed by the governing law of that contract and, save where it is inappropriate under applicable laws, where shares or equity interests are to be made subject to DIP Liens, shall be governed by the laws of the jurisdiction of incorporation or organisation of the entity whose shares or equity interests are being made subject to such DIP Liens.
- (g) Subject to these Security Principles and to the extent necessary to maintain a perfected security interest under the relevant local law, information such as lists of assets (or classes of assets, if customary under local law) will be provided quarterly (other than in respect of DIP Liens governed by the laws of any territory in the United States) or upon the reasonable request of the DIP Agent (or any

delegate or sub-delegate thereof), such request not to be made more frequently than [annually] unless an Event of Default is continuing.

- (h) Unless required by local law, the circumstances in which the DIP Liens shall be released should not be dealt with in individual collateral documents but, if so required, shall, except to the extent required by local law, be the same as those set out in the [Intercreditor Agreement]/[DIP Orders].
- (i) Any equity interests in any member of the Group that are held by a nominee acting on behalf of, or held on trust for, any other member of the Group shall be deemed to be owned by such member of the Group.

2.2 Representations and Warranties / Undertakings

- (a) Any representations, warranties or undertakings which are required to be included in any collateral document shall not restrict the use of the assets subject to that DIP Liens to a greater extent than provided for in [Junior] DIP Credit Agreement and will not impose additional commercial obligations or otherwise restrict the use of the assets subject to that DIP Liens to a greater extent than provided for in the [Junior] DIP Credit Agreement.
- (b) Representations and undertakings shall be included to the extent they are necessary for the validity, registration, priority, perfection or maintenance of the relevant type of security in the relevant jurisdiction.
- (c) Unless otherwise required under applicable law for the creation or perfection of DIP Liens in accordance with these Security Principles, the collateral documents will not contain any repetition of provisions of the other DIP Documents, such as representations, undertakings, notices, costs and expenses, indemnities, tax gross up and distribution of proceeds.

If any member of the Group enters into an External Financing:
- (i) any fixed security under the security package over the assets subject to that External Financing will be released promptly following a request by the relevant grantor; and

Annex D

Security Principles

[See attached.]

Annex D

SECURITY PRINCIPLES

1 SECURITY PRINCIPLES

1.1 General

- (a) Save in respect of any share security granted in respect of the shares, equity or partnership interests (or in each case any equivalent under local law) in any member of the Group incorporated in Argentina, Brazil, Italy, Japan or the United States (each of which shall be granted and perfected in accordance with time set out in Annex C of the DIP Term Sheet and without reference to these Security Principles), the guarantees and DIP Liens to be provided pursuant to the DIP Documents will be given in accordance with these Security Principles and embody a recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and/or Liens from Holdings or members of the Group in every jurisdiction in which they are incorporated or resident.
- (b) Terms used in these Security Principles and not otherwise defined have the meanings given to them in (or incorporated by reference to) the DIP Term Sheet.

1.2 Considerations

- (a) In determining what DIP Liens and guarantees will be provided in support of the DIP Facility, the following matters will be taken into account:
 - (i) DIP Liens and guarantees shall not be required to be created, registered and/or perfected to the extent that they would:
 - (A) taking into account any limitation required by paragraph 1.6 (*DIP Obligations*) below, result in any breach of corporate benefit, financial assistance, fraudulent preference or thin capitalisation laws or regulations (or analogous restrictions) of any applicable jurisdiction;
 - (B) taking into account any limitation required by paragraph 1.6 (*DIP Obligations*) below, result in a significant risk to the officers of the relevant grantor of DIP Liens of contravention of their fiduciary duties and/or of civil or criminal liability;
 - (C) result in costs to the Group that are disproportionate to the benefit obtained by the beneficiaries of that DIP Liens (in each case, as determined by the DIP Agent on behalf of the DIP Lenders), having regard to the extent of the

obligations which can be secured by that DIP Liens and the priority that will be offered by taking or perfecting that DIP Liens;

- (D) require the consent of the holders of shares or equity interests in any member of the Group that is not wholly-owned directly or indirectly by Holdings or, as the case may be, partners in any joint venture; or
- (E) result in the breach or termination of any material contract or material joint venture arrangement (in each case as determined by the DIP Agent on behalf of the DIP Lenders) to which any member of the Group is party.

All relevant members of the Group will use reasonable endeavours to overcome any obstacle or limitation to creating or perfecting DIP Liens and granting guarantees of a type set out in paragraphs 1.2(a)(i)(D) above.

- (ii) DIP Liens and guarantees shall only be given after taking into account:
 - (A) (in the case of DIP Liens) the extent to which such DIP Liens may be unduly burdensome on the relevant member of the Group or materially interfere unreasonably with the operation of its business;
 - (B) (in the case of DIP Liens) whether the assets the subject of such DIP Lien constitute Excluded Assets or Excluded Collateral;
 - (C) any material adverse taxation implications for the Group as a whole;
 - (D) whether or not perfection of any such guarantee or DIP Liens (to the extent required) is permissible under applicable law or regulation; and
 - (E) any assets subject to any arrangements with third parties (other than the Sponsor or its Affiliates or Related Funds) (which arrangements are permitted under the DIP Documents) which prevent those assets from being secured will be excluded from any DIP Liens and any collateral document *provided that* the relevant member of the Group will use reasonable endeavours to obtain consent to the creation of DIP Liens over any such asset and *provided further that* such arrangements with third parties were not entered into primarily so that such guarantee or DIP Liens would be exempted pursuant to this exception.
- (b) In these Security Principles, *cost* includes, but is not limited to, income tax cost, registration and like taxes or duties payable on the creation or enforcement or for the continuance of any DIP Liens, stamp duties, notarial costs, out-of-pocket expenses, and other fees and expenses directly incurred by the relevant grantor of DIP Liens or any of its direct or indirect owners, subsidiaries or Affiliates.

1.3 Government approvals

To the extent that any DIP Liens over any equity interest in any member of the Group or any guarantee or DIP Liens to be provided by any member of the Group (or the perfection thereof) requires the grantor or any member of the Group to obtain or effect any authorisation from any governmental agency, the requirement to obtain or effect such authorisation will be subject to these Security Principles and the applicable grantor or member of the Group will use reasonable endeavours to obtain or effect such authorisation within 180 days after the execution of the relevant guarantee or the relevant collateral document (including, in each case, any joinder to any such guarantee or collateral document) conferring such DIP Liens (as the case may be). If such authorisation is not obtained or effected within such time, the obligations of the Group to obtain or effect, or to endeavour to obtain or effect, shall cease on the expiry of such 180 day period.

1.4 Perfection of DIP Liens

The perfection of DIP Liens, when required in accordance with these Security Principles, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time specified in Annex C of the DIP Term Sheet or (if earlier or to the extent no such time periods are specified in the DIP Documents) within the time periods specified by applicable law in order to ensure due perfection and priority.

1.5 DIP Obligations

- (a) Subject to paragraph (b), the collateral documents will secure all DIP Obligations under the DIP Documents in accordance with, and subject to, the requirements of these Security Principles in each relevant jurisdiction.
- (b) To the extent required under local law, the DIP Obligations will be limited:
 - (i) to avoid any breach of corporate benefit, financial assistance, fraudulent preference, thin capitalisation rules or the laws or regulations (or analogous restrictions) of any applicable jurisdiction; and
 - (ii) to avoid any risk to officers of the relevant member of the Group that is granting DIP Liens of contravention of their fiduciary duties and/or civil or criminal or personal liability.
- (c) All relevant members of the Group will use reasonable endeavours to:
 - (i) assist in demonstrating adequate corporate benefit accrues to the relevant member of the Group and any Guarantor; and
 - (ii) overcome any such limitation and/or obstacle of a type set out in paragraph (b)(i) above to creating or perfecting any Lien or providing a guarantee, including undertaking any whitewash or equivalent procedure (to the extent reasonably practicable

taking into account the relative cost and time required to complete such steps and the relative benefit of the security to the DIP Lenders and to the extent permitted by law).

1.6 Guarantees

Subject to any local law guarantee limitations set out in the DIP Documents, each guarantee will be an upstream, cross-stream and downstream guarantee for all DIP Obligations under the DIP Documents in accordance with, and subject to, the requirements of these Security Principles in each relevant jurisdiction.

2 COLLATERAL DOCUMENTS

2.1 General

- (a) The parties to the DIP Documents will negotiate the form of each collateral document in good faith in accordance with these Security Principles.
- (b) Where appropriate, defined terms in the collateral documents should mirror those in the Junior DIP Credit Agreement or the DIP Term Sheet, as applicable.
- (c) Each collateral document shall state that in the event of a conflict between the terms of that collateral document and the DIP Orders, the terms of the DIP Orders shall prevail.
- (d) The DIP Liens shall, to the extent possible under local law, crystallise and be enforceable on the occurrence of an Acceleration Event. “**Acceleration Event**” as used herein shall mean the DIP Agent has (i) exercised its rights to declare all or any part of the DIP Loans (together with any other amount accrued or outstanding under the DIP Documents) due and payable, or (ii) directed the Security Agent to exercise any or all of its rights, remedies, powers or discretions under the DIP Documents.
- (e) The relevant holder of DIP Liens (a “**Security Holder**”) will only be entitled to exercise a power of attorney under any DIP Document (or related document) following the occurrence of an Acceleration Event or if the relevant grantor has failed to comply with its obligations under the applicable DIP Document within 5 Business Days of being so requested by that Security Holder in writing.
- (f) Unless granted under the US Security Agreement, all DIP Liens shall be governed by the laws of the jurisdiction in which the relevant asset to be made subject to such DIP Liens is located and, where such asset comprises a contract, shall be governed by the governing law of that contract and, save where it is inappropriate under applicable laws, where shares or equity interests are to be made subject to DIP Liens, shall be governed by the laws of the jurisdiction of incorporation or organisation of the entity whose shares or equity interests are being made subject to such DIP Liens.

- (g) Subject to these Security Principles and to the extent necessary to maintain a perfected security interest under the relevant local law, information such as lists of assets (or classes of assets, if customary under local law) will be provided quarterly (other than in respect of DIP Liens governed by the laws of any territory in the United States) or upon the reasonable request of the DIP Agent (or any delegate or sub-delegate thereof), such request not to be made more frequently than annually unless an Event of Default is continuing.
- (h) Unless required by local law, the circumstances in which the DIP Liens shall be released should not be dealt with in individual collateral documents but, if so required, shall, except to the extent required by local law, be the same as those set out in the DIP Orders.
- (i) Any equity interests in any member of the Group that are held by a nominee acting on behalf of, or held on trust for, any other member of the Group shall be deemed to be owned by such member of the Group.

2.2 Representations and Warranties / Undertakings

- (a) Any representations, warranties or undertakings which are required to be included in any collateral document shall not restrict the use of the assets subject to that DIP Liens to a greater extent than provided for in Junior DIP Credit Agreement and will not impose additional commercial obligations or otherwise restrict the use of the assets subject to that DIP Liens to a greater extent than provided for in the Junior DIP Credit Agreement.
- (b) Representations and undertakings shall be included to the extent they are necessary for the validity, registration, priority, perfection or maintenance of the relevant type of security in the relevant jurisdiction.
- (c) Unless otherwise required under applicable law for the creation or perfection of DIP Liens in accordance with these Security Principles, the collateral documents will not contain any repetition of provisions of the other DIP Documents, such as representations, undertakings, notices, costs and expenses, indemnities, tax gross up and distribution of proceeds.

3 SCOPE OF COLLATERAL

3.1 General

- (a) Subject to these Security Principles, the DIP Liens:
 - (i) will be first ranking and comprise fixed and floating security (or the nearest equivalent under applicable law) over all present and future assets (other than any Excluded Assets) of each DIP Loan Party and the shares in that DIP Loan Party; and

- (ii) will be automatically created over future assets (other than any Excluded Assets) of the same type as those already subject to security granted by the applicable DIP Loan Party.
- (b) Without limiting the generality of paragraph (a), the Parties acknowledge that the assets to be subject to such security shall (unless otherwise agreed by the DIP Agent on behalf of the DIP Lenders) be limited to:
 - (i) shares and/or equity interests;
 - (ii) Business assets (*Fonds de commerce*);
 - (iii) bank accounts;
 - (iv) intercompany receivables;
 - (v) insurance policies;
 - (vi) real estate;
 - (vii) fixed assets (other than real estate), including, without limitation, any plant and equipment;
 - (viii) trade receivables and other material contracts;
 - (ix) intellectual property rights; and
 - (x) inventory.
