also files for protection under Chapter 11, for the purpose of ensuring that, to the extent applicable according to U.S. law, the benefits of the court relief granted under Chapter 11 will also apply to it;

According to the applicable U.S. law, there is a sufficient nexus for the Company to file for protection under Chapter 11;

Pursuant to the New York law governed DIP Financing Agreement, a term loan facility in an aggregate principal amount of roughly USD 1.25 billion, pursuant to the terms thereof, will be made available by the lenders to certain entities from the group (the exact structure still being subject to discussions with the lenders), as borrowers, for the purpose of financing the working capital necessary for the smooth operation of the business; in this context, it is envisaged that the Company will enter into the DIP Financing Agreement as guarantor and security provider, and, at a later stage, into a series of security documents (pursuant to which the Company will grant security interests over its assets for the purpose of securing the obligations and liabilities arising out of or in connection with the DIP Financing Agreement) which will be authorised through a separate Sole Shareholder's resolution; and

The Sole Shareholder understands and acknowledges that the protection granted under Chapter 11 is not equivalent to a procedure of pre-insolvency/insolvency regulated by the Romanian Law no. 85/2014 on prevention of insolvency and insolvency.

The Sole Shareholder hereby acknowledges and confirms that:

- (i) according to the applicable U.S. law, the Company has the necessary capacity to file for protection under Chapter 11;
- (ii) the Company, the Sole Shareholder and the rest of the affiliates from the group (including, without limitation, Marelli U.S.) conduct and promote (on arm's length basis) collaboration and partnership relationships, such that each party may enhance and derive benefits from its own potential and attain its own objectives;
- (iii) it has received a draft of the DIP Financing Agreement, in the form available at the date of this Resolution, and has conducted a careful commercial assessment of the terms and conditions contemplated therein;
- (iv) the DIP Financing Agreement will be subject to further negotiations and amendments, in accordance with the parties' interests and objectives;
- (v) after careful commercial consideration and appropriate legal and financial advice, it has decided that the envisaged transactions are in the best economic interest of the Company, as such the envisaged transactions shall benefit its business activity and acknowledges and agrees that the Company's corporate purpose allows it to file for protection under Chapter 11 and to enter into the DIP Financing Agreement as guarantor and security provider; and
- (vi) in consideration of holding 100% of the share capital of the Company, in accordance with the provisions of the Companies Law and the articles of association of the Company, expressly waiving all the convening formalities,

DECIDED:
